COMPLAINT

Plaintiff, Wells Fargo Bank, N.A., through its attorneys Belcher & Boomgaarden LLP, for its complaint against Defendants Northern Rockies Neuro-Spine, P.C., a Wyoming corporation, John H. Schneider, Michelle Schneider, Schneider Limited Partnership, a Wyoming limited partnership, John Schneider Revocable Trust U/A/D November 20, 2007, Michelle Schneider Revocable Trust U/A/D November 20, 2007, and Schneider Management LLC, a Wyoming limited liability company, states and alleges as follows:

ALLEGATIONS COMMON TO ALL CLAIMS

1. Wells Fargo Bank, N.A. (“Wells Fargo”) is a federally chartered national bank and is authorized to do business in Wyoming. Wells Fargo’s main office, as stated in its Articles of Association, is located in Sioux Falls, South Dakota.
2. Northern Rockies Neuro-Spine, P.C. (“NRNS”) is a Wyoming corporation with its principal place of business in Billings, Montana.
3. John H. Schneider (“Schneider”) is a resident of Wyoming.
4. Michelle Schneider (“Mrs. Schneider”) is a resident of Wyoming.
5. Schneider Limited Partnership (“Schneider LP”) is a Wyoming limited partnership with its principal place of business in Wyoming.
6. John Schneider Revocable Trust U/A/D November 20, 2007 (“Schneider Trust”) is a resident of Wyoming where its trustee, Schneider, resides.

7. Michelle Schneider Revocable Trust U/A/D November 20, 2007 (“Mrs. Schneider Trust”) is a resident of Wyoming where its trustee, Mrs. Schneider, resides.

8. Schneider Management LLC (“Schneider Management”) is a Wyoming limited liability company with its principal place of business in Wyoming.

JURISDICTION AND VENUE

9. Jurisdiction is proper in this Court under 28 U.S.C. § 1332(a) because there is complete diversity of citizenship between Wells Fargo and all Defendants, and the amount in controversy, exclusive of interest and costs, exceeds Seventy-five Thousand Dollars (\$75,000) for the reasons described in paragraphs 16 and 25 of this Complaint.

10. Venue is proper in this Court pursuant to 28 U.S.C. § 1391(a)(1) and (a)(2) because all Defendants are residents of Wyoming, the Note was accepted by Wells Fargo in Wyoming, the loan funds advanced by the Wells Fargo were remitted from its Wyoming office, and payments owing on the Note that are the subject of this action are to be remitted to Wells Fargo’s Wyoming office.

FIRST CLAIM FOR RELIEF **(Money Judgment on Note)**

11. Wells Fargo incorporates the allegations contained in paragraphs 1 through 10 of its Complaint.

12. On or about May 23, 2011, Wells Fargo agreed to make a loan to NRNS. NRNS executed and delivered to Wells Fargo a Promissory Note dated May 23, 2011 payable to Wells Fargo in the original principal amount of \$850,000.00 ("Note") to evidence the loan. Wells Fargo made loan advances to NRNS as provided in the Note. A true and correct copy of the Note is attached hereto, marked **Exhibit "A"** ("Note").

13. NRNS defaulted on the Note by failing to pay the Note balance in full when it matured on June 15, 2012.

14. NRNS has not paid the unpaid Note balance.

15. As a result of NRNS's failure to pay the Note balance in full, the Note continues to be in default.

16. The unpaid balance owing on the Note as of October 1, 2012 is \$559,486.96 in principal, plus interest in the amount of \$9,721.09, for a total of \$569,208.05. Interest continues to accrue from and after October 1, 2012 at the default interest rate of 8.50% per annum at the daily rate of \$132.10.

17. Under the Note, NRNS agreed to pay all of Wells Fargo's costs of collection and reasonable attorney fees.

18. Wells Fargo is entitled to judgment against NRNS for the unpaid Note balance, plus interest to the date judgment is entered, plus post-judgment interest, plus Wells Fargo's costs of collection and reasonable attorney fees.

WHEREFORE, Wells Fargo prays for judgment against NRNS on its first claim for relief:

A. For judgment in the sum of \$569,208.05, the unpaid Note balance owing as of October 1, 2012;

B. For accrued interest on the Note balance from October 1, 2012 until entry of judgment at the default interest rate of 8.50% per year, and for interest thereafter at the rate provided by law, until the judgment is paid in full;

C. For Wells Fargo's attorney's fees and costs incurred in attempting to collect the Note balance, and interest on said costs and attorneys' fees at the rate provided by law until paid; and

D. For such other and further relief as may be appropriate under the circumstances.

SECOND CLAIM FOR RELIEF
(Money Judgment on NRNS Commercial Guaranty Agreements)

19. Wells Fargo incorporates the allegations contained in paragraphs 1 through 18 of its Complaint.

20. At the time Wells Fargo made the loan to NRNS, Defendants Schneider, Mrs. Schneider, Schneider LP, Schneider Trust, Mrs. Schneider Trust and Schneider Management (the "NRNS Creek Guarantors") each executed and delivered to Wells Fargo a Commercial Guaranty dated May 23, 2011. A true and correct copy of the

Commercial Guaranty (“Guarantys”) executed by each of the NRNS Guarantors is attached hereto, marked **Exhibits “B”** through **“G”**.

21. NRNS failed to pay Note balance when the Note matured. NRNS’s failure to pay the Note balance when it matured constitutes an event of default of the Note.

22. Under the Guarantys, each of the NRNS Guarantors agreed to perform NRNS’s obligations under the Note. This included the NRNS Guarantors’ promise to unconditionally pay the NRNS Note balance.

23. Neither NRNS nor any of the NRNS Guarantors has paid the Note balance.

24. As a result, the Note continues to be in default.

25. The unpaid balance owing on the Note as of October 1, 2012 is \$559,486.96 in principal, plus interest in the amount of \$9,721.09, for a total of \$569,208.05. Interest continues to accrue from and after October 1, 2012 at the default interest rate of 8.50% per annum at the daily rate of \$132.10.

26. Under the Guaranty agreements, each of the NRNS Guarantors agreed to pay all of Wells Fargo’s costs of collection and reasonable attorney fees.

27. Wells Fargo is entitled to judgment against the NRNS Guarantors, jointly and severally, for the unpaid Note balance, plus interest to the date judgment is entered at 8.50% per annum (\$132.10 per day), plus post-judgment interest, plus Wells Fargo’s costs of collection and reasonable attorney fees.

WHEREFORE, Wells Fargo prays for judgment against the NRNS Guarantors on its Second Claim for Relief as follows:

A. For judgment against Defendants Schneider, Mrs. Schneider, Schneider LP, Schneider Trust, Mrs. Schneider Trust and Schneider Management, jointly and severally, in the sum of \$569,208.05, the unpaid Note balance owing as of October 1, 2012;

B. For accrued interest on the Note balance from October 1, 2012 until entry of judgment at the default interest rate of 8.50% per year (\$132.10 per day), and for interest thereafter at the rate provided by law, until the judgment is paid in full;

C. For Wells Fargo's attorneys' fees and costs incurred in attempting to collect the Note balance owing pursuant to the Guaranty agreements in bringing this collection action and accruing after entry of judgment, and interest on said costs and attorneys' fees at the rate provided by law until paid; and

D. For such other and further relief as may be appropriate under the circumstances.

DATED this 1st day of October, 2012.

Cody, WY 82414

Lender: Wells Fargo Bank, National Association
Cody Main BBG

MAC C7835-L10
Cody, WY 82414

Principal Amount: \$850,000.00

Date of Note: May 23, 2011

PROMISE TO PAY. Northern Rockies Neuro-Spine, P.C. ("Borrower") promises to pay to Wells Fargo Bank, National Association ("Lender"), or order, in lawful money of the United States of America, the principal amount of Eight Hundred Fifty Thousand & 00/100 Dollars (\$850,000.00) or so much as may be outstanding, together with interest on the unpaid outstanding principal balance of each advance, calculated as described in the "INTEREST CALCULATION METHOD" paragraph using an interest rate of 4.500%. Interest shall be calculated from the date of each advance until repayment of each advance. The interest rate may change under the terms and conditions of the "INTEREST AFTER DEFAULT" section.

PAYMENT. Borrower will pay this loan in one payment of all outstanding principal plus all accrued unpaid interest on June 15, 2012. In addition, Borrower will pay regular monthly payments of all accrued, unpaid interest due as of each payment date, beginning July 15, 2011, with all subsequent interest payments to be due on the same day of each month after that. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; and then to any late charges. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method.

PREPAYMENT. Borrower agrees that all loan fees and other prepaid finance charges are earned fully as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of default), except as otherwise required by law. Except for the foregoing, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments of accrued unpaid interest. Rather, early payments will reduce the principal balance due. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Wells Fargo Bank, National Association, BBG-Boise Loan Operations Center, MAC #U1851-014, Attn: Accounting, PO Box 8203 Boise, ID 83707-2203.

LATE CHARGE. If a payment is 15 days or more late, Borrower will be charged 5.000% of the unpaid portion of the regularly scheduled payment or \$15.00, whichever is greater.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased by 4.000 percentage points. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to repay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

PROMISSORY NOTE (Continued)

Page 2

Change in Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

Insecurity. Lender in good faith believes itself insecure.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount.

ATTORNEYS' FEES; EXPENSES. Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's reasonable attorneys' fees and legal expenses, whether or not there is a lawsuit, including without limitation all reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other sums provided by law.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Wyoming without regard to its conflicts of law provisions. This Note has been accepted by Lender in the State of Wyoming.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and setoff rights provided in this paragraph.

LINE OF CREDIT. This Note evidences a straight line of credit. Once the total amount of principal has been advanced, Borrower is not entitled to further loan advances. Advances under this Note may be requested either orally or in writing by Borrower or by an authorized person. Lender may, but need not, require that all oral requests be confirmed in writing. All communications, instructions, or directions by telephone or otherwise to Lender are to be directed to Lender's office shown above. Borrower agrees to be liable for all sums either: (A) advanced in accordance with the instructions of an authorized person or (B) credited to any of Borrower's accounts with Lender. The unpaid principal balance owing on this Note at any time may be evidenced by endorsements on this Note or by Lender's internal records, including daily computer print-outs.

PAYMENT DUE DATE DEFERRAL. Payment invoices will be sent on a date (the "billing date") which is prior to each payment due date. If this Note is booked near or after the billing date for the first scheduled payment, Lender may, in its sole discretion, defer each scheduled payment date and/or the maturity date by one or more months.

FINANCIAL STATEMENTS. Borrower agrees to provide to Lender, upon request, financial statements prepared in a manner and form acceptable to Lender, and copies of such tax returns and other financial information and statements as may be requested by Lender. Each financial statement shall give a full and complete picture of Borrower's financial condition as of the statement's date, with ownership accurately reflected, and shall be signed and dated or otherwise authenticated to Lender's satisfaction. Borrower shall also furnish such information regarding Borrower or the Collateral or the use of loan proceeds as may be requested by Lender. Borrower warrants that all financial statements and information provided to Lender are and will be accurate, correct and complete. Borrower will permit Lender to examine or audit Borrower's books, accounts, and records, including any records in the possession of a third party, at any reasonable time upon request, at no cost to Lender. Such financial statements and other financial information shall be signed and dated by Borrower, and by any other party preparing such financial statements or otherwise authenticated to Lender's satisfaction.

PRIMARY DEPOSIT ACCOUNT. Borrower agrees to maintain Borrower's primary deposit account with Lender or any banking affiliate of Lender (defined as the deposit account into which substantially all of Borrower's receipts from its operations are deposited and from which substantially all of Borrower's disbursements for its operations are made), and shall keep it at all times in good standing.

EXTENSION AND RENEWAL. Lender may, at Lender's discretion, renew or extend this Note by written notice to Borrower. Such renewal or extension will be effective as of the maturity date of this Note, and may be conditioned among other things on modification of Borrower's obligations hereunder, including but not limited to a decrease in the amount available under this Note, an increase in the interest rate applicable to this Note and/or payment of a fee for such renewal or extension. Borrower will be deemed to have accepted the terms of such extensions and renewals if Borrower does not deliver to Lender written rejection of such renewal or extension within 10 days following the date of the written notice of such changes, or if Borrower draws additional funds following receipt of such notice. After any renewal or extension of Borrower's obligations under this Note, the term "maturity date" as used in this Note will mean the new maturity date set forth in the written notice of extension or renewal of this Note. The Note may be modified, extended and renewed repeatedly in this manner.

LINE ADVANCES. Notwithstanding anything to the contrary, requests for advances communicated to any office of Lender by any person believed by Lender in good faith to be authorized to make the request, whether written, verbal, telephonic or electronic, may be acted upon by Lender, and Borrower will be liable for sums advanced by Lender pursuant to such request. Such requests for advances shall be deemed authorized by Borrower, and Lender shall not be liable for such advances made in good faith, and with respect to advances deposited to the credit of any deposit account of Borrower, such advances, when so deposited, shall be conclusively presumed to have been made to or for the benefit of Borrower regardless of the fact that persons other than those authorized to request advances may have authority to draw against such account. Borrower agrees to indemnify and hold Lender harmless from and against all damages, liabilities, costs and expenses (including attorney's fees) arising out of any claim by Borrower or any third party against Lender in connection with Lender's performance of transfers as described above.

CREDIT BUREAU INQUIRIES. The parties hereto, and each individual signing below in a representative capacity, agree that Lender may obtain business and/or personal credit reports and tax returns on each of them in their individual capacities.

APPLICATION OF PAYMENTS. Notwithstanding the application of payment provided in the Payment section of this Note, unless otherwise agreed, all sums received from Borrower may be applied to interest, fees, principal, or any other amounts due to Lender in any order at Lender's sole discretion. If a final payment amount is set out in the Payment section of this Note, Borrower understands that it is an estimate, and that the actual final payment amount will depend upon when payments are received and other factors.

ADDITIONAL EVENTS OF DEFAULT. In addition to the Events of Default described above, the following shall be an Event of Default, if applicable: (i) any change in ownership of an aggregate of twenty-five percent (25%) or more of the common stock, members' equity or other ownership interest in Borrower, (ii) the withdrawal, resignation or expulsion of any one or more of the general partners in Borrower with an aggregate ownership interest in Borrower of twenty-five percent (25%) or more, or (iii) any of the preceding events occurs with respect to any general partner of Borrower or guarantor of any indebtedness of Borrower under this Note.

DEFAULT RATE. At Lender's option and without prior notice, upon default or at any time during the pendency of any event of default under the

PROMISSORY NOTE (Continued)

Page 3

Note or any related loan documents, Lender may impose a default rate of interest (the "Default Rate") equal to the pre-default interest rate plus four percent per annum, not to exceed the maximum lawful rate. If the pre-default rate is a floating or adjustable rate based upon an index, it will continue to float or adjust on the same periodic schedule, and the Default Rate will be a variable rate per annum equal to the applicable index plus the pre-default margin plus four percent, not to exceed the maximum lawful rate. The Default Rate shall remain in effect until the default has been cured and that fact has been communicated to and confirmed by Lender. Lender may, from time to time in its discretion, adjust or reamortize payments to take into account changes in the interest rate. Lender shall give written notice to Borrower of Lender's imposition of the Default Rate, except that if the Note is not paid at maturity, Lender may impose the Default Rate from the maturity date to the date paid in full without notice. Lender's imposition of the Default Rate shall not constitute an election of remedies or otherwise limit Lender's rights concerning other remedies available to Lender as a result of the occurrence of an event of default. In the event of a conflict between the provisions of this paragraph and any other provision of the Note or any related agreement, the provisions of this paragraph shall control. If a default rate is prohibited by applicable law, then the pre-default rate (including periodic rate adjustments for floating or adjustable rates) shall continue to apply after default or maturity.

FURTHER ASSURANCES. The parties hereto agree to do all things deemed necessary by Lender in order to fully document the loan evidenced by this Note and any related agreements, and will fully cooperate concerning the execution and delivery of security agreements, stock powers, instructions and/or other documents pertaining to any collateral intended to secure the indebtedness. The undersigned agree to assist in the cure of any defects in the execution, delivery or substance of the Note and related agreements, and in the creation and perfection of any liens, security interests or other collateral rights securing the Note. Borrower further agrees to pay Lender immediately upon demand the full amount of all charges, costs and expenses (to include fees paid to third parties) expended or incurred by Lender to monitor Lender's interest in any real property pledged as collateral for this Note, including without limitation all costs of appraisals.

CONSENT TO SELL LOAN. The parties hereto agree: (a) Lender may sell or transfer all or part of this loan to one or more purchasers, whether related or unrelated to Lender; (b) Lender may provide to any purchaser, or potential purchaser, any information or knowledge Lender may have about the parties or about any other matter relating to this loan obligation, and the parties waive any rights to privacy it may have with respect to such matters; (c) the purchaser of a loan will be considered its absolute owner and will have all the rights granted under the loan documents or agreements governing the sale of the loan; and (d) the purchaser of a loan may enforce its interests irrespective of any claims or defenses that the parties may have against Lender.

FACSIMILE AND COUNTERPART. This document may be signed in any number of separate copies, each of which shall be effective as an original, but all of which taken together shall constitute a single document. An electronic transmission or other facsimile of this document or any related document shall be deemed an original and shall be admissible as evidence of the document and the signer's execution.

SECURITY INTEREST AND RIGHT OF SETOFF. In addition to all liens upon and rights of setoff arising by law, Borrower pledges and grants to Lender as security for Borrower's indebtedness and obligations under the Note (excluding any consumer obligations subject to the Federal Truth in Lending Act) a security interest and lien upon all monies, securities, securities accounts, brokerage accounts, deposit accounts and other property of Borrower now or hereafter in the possession of or on deposit with Lender or any Wells Fargo Affiliate, whether held in a general or special account or for safekeeping or otherwise, excluding however all IRA and Keogh accounts. No security interest, lien or right of setoff will be deemed to have been waived by any act or conduct on the part of Lender, or by any neglect to exercise such right, or by any delay in so doing, and every right of setoff, lien and security interest will continue in full force and effect until specifically waived or released by Lender in writing.

LOAN FEE AUTHORIZATION. Borrower shall pay to Lender any and all fees as specified in the "Disbursement Request and Authorization" executed by Borrower in connection with this Note. Such fees are non-refundable and shall be due and payable in full immediately upon Borrower's execution of this Note.

TRADE FINANCE SUBFEATURE. Borrower shall have available a Letter of Credit Subfeature and a Foreign Exchange Subfeature as described in this section, in a total amount not to exceed the available principal amount of the line of credit evidenced by this Note.

A. Letters of Credit Subfeature. As a subfeature of this Note, Lender may from time to time issue or cause to be issued by a Wells Fargo Affiliate (such Lender or Wells Fargo Affiliate being referred to herein as the "Issuer") for your account, commercial and/or standby letters of credit (each individually, a "Letter of Credit" and collectively "Letters of Credit"); provided however, that the form and substance of each Letter of Credit shall be subject to approval by the Issuer in its sole discretion. Each Letter of Credit shall be issued for a term designated by Borrower; provided however, that no Letter of Credit shall have an expiration subsequent to the maturity of the Note unless otherwise agreed to by Issuer and Lender. Each Letter of Credit shall be subject to the terms and conditions of a Letter of Credit Agreement and related documents, if any, required by Issuer in connection with the issuance of such Letter of Credit (each individually a "Letter of Credit Agreement" and collectively, the "Letter of Credit Agreements"). Each draft paid by Issuer under a Letter of Credit and reimbursed by Lender shall be paid with an advance under the Note and shall be repaid by Borrower in accordance with the terms and conditions of the Note applicable to such advances; provided however, that if advances under the Note are not available, for any reason whatsoever, at the time any amount is paid by Lender, then the full amount of such advance shall be immediately due and payable, together with interest thereon, from the date such amount is paid by Issuer or Lender to the date such amount is fully repaid by Borrower, at the rate of interest applicable to advances under the Note. In such event, Borrower agrees that Issuer or Lender, at Issuer's or Lender's sole discretion, may debit Borrower's deposit account(s) with Lender or a Wells Fargo Affiliate for the amount of any such draft. Upon the issuance of an amendment to a Letter of Credit, upon the reimbursement by Lender of a draft under any Letter of Credit, and otherwise as agreed by Borrower and Issuer pursuant to the Letter of Credit Agreements, Borrower shall pay to Issuer or Lender fees determined in accordance with Issuer's/Lender's standard fees and charges at such time.

B. Foreign Exchange Subfeature. As a subfeature of this Note, Lender or a Wells Fargo Affiliate (such Lender or Wells Fargo Affiliate being referred to herein as the "Exchanger") may, in its sole discretion, from time to time up to and including the maturity date of the Note, enter into foreign exchange transactions for the account of Borrower for the purchase and/or sale, or options on the purchase and/or sale, by Borrower of the currency of the United States and of foreign countries. Each foreign exchange transaction entered into between the Exchanger and Borrower shall be subject to the terms and conditions of the foreign exchange master agreement, the form and substance of which must be acceptable to the Exchanger in all respects in its sole discretion. Notwithstanding the foregoing, the Exchanger is not obligated to enter into any foreign exchange transactions with Borrower.

C. Subfeature Limits. The amount available for drawing under all Letters of Credit, plus the amount drawn under the Letters of Credit but not yet reimbursed, plus 120% of the amount of all outstanding foreign exchange contracts, shall be reserved under the Note and shall not be available for Note advances. The amount available for drawing under all Letters of Credit, plus the amount drawn under such letters of credit but not yet reimbursed, plus 120% of the amount of all outstanding foreign exchange contracts, plus the principal amounts of any advances outstanding under the Note, shall not at any time exceed the principal amount of the Note, unless allowed by Lender at Lender's full discretion. Any excess amount shall be fully due and payable immediately without notice. As used herein, Wells Fargo Affiliate means any present or future subsidiary of Wells Fargo & Company, any subsidiary thereof, and any successors of such financial service companies.

ARBITRATION AGREEMENT. Arbitration - Binding Arbitration. Lender and each party to this agreement hereby agree, upon demand by any party, to submit any Dispute to binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any

PROMISSORY NOTE (Continued)

Page 4

dispute, claim or controversy of any kind, whether in contract or in tort, legal or equitable, now existing or hereafter arising, relating in any way to any aspect of this agreement, or any related agreement incorporating this Arbitration Program (the "Documents"), or any renewal, extension, modification or refinancing of any indebtedness or obligation relating thereto, including without limitation, their negotiation, execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination. DISPUTES SUBMITTED TO ARBITRATION ARE NOT RESOLVED IN COURT BY A JUDGE OR JURY. TO THE EXTENT ALLOWED BY APPLICABLE LAW, THE PARTIES IRREVOCABLY AND VOLUNTARILY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY DISPUTE ARBITRATED PURSUANT TO THIS ARBITRATION PROGRAM.

A. Governing Rules. Any arbitration proceeding will (i) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (ii) be conducted by the American Arbitration Association ("AAA"), or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least \$1,000,000.00 exclusive of claimed interest, arbitration fees and costs, in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes are referred to herein, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Arbitration proceedings hereunder shall be conducted at a location mutually agreeable to the parties, or if they cannot agree, then at a location selected by the AAA in the state of the applicable substantive law primarily governing the Note. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any Dispute. Arbitration may be demanded at any time, and may be compelled by summary proceedings in Court. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief. The arbitrator shall award all costs and expenses of the arbitration proceeding. Nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or any similar applicable state law.

B. No Waiver of Provisional Remedies, Self-Help and Foreclosure. The arbitration requirement does not limit the right of any party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any Dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

C. Arbitrator Qualifications and Powers. Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any Dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations. Every arbitrator must be a neutral practicing attorney or a retired member of the state or federal judiciary, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the Dispute. The arbitrator will determine whether or not an issue is arbitrable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all Disputes in accordance with the applicable substantive law and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the applicable state rules of civil procedure, or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

D. Discovery. In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the Dispute being arbitrated and must be completed no later than 20 days before the hearing date. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

E. Class Proceedings and Consolidations. No party shall be entitled to join or consolidate disputes by or against others who are not parties to this agreement or related Documents in any arbitration, or to include in any arbitration any dispute as a representative or member of a class, or to act in any arbitration in the interest of the general public or in a private attorney general capacity.

F. Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the Dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a Dispute, the arbitration provision most directly related to the documents between the parties or the subject matter of the Dispute shall control. This arbitration provision shall survive the repayment of the Note and the termination, amendment or expiration of any of the Documents or any relationship between the parties.

G. Real Property Collateral. Notwithstanding anything herein to the contrary, no Dispute shall be submitted to arbitration if the Dispute concerns indebtedness secured directly or indirectly, in whole or in part, by any real property and the Dispute is governed by the laws of California, Idaho, Montana, Nevada, South Dakota or Utah, unless any conditions for arbitration that may be set forth in the mortgage or deed of trust are satisfied; if any such Disputes are not referred to arbitration, then any provision in such mortgage or deed of trust providing for referral of Disputes to a referee or master under the laws of California or Utah shall be applicable to such Disputes.

H. State Specific Provisions.

If Delaware or Pennsylvania law governs the Dispute, the following provision is included:
Confession of Judgment. Notwithstanding anything herein to the contrary, the arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, or (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

If Virginia law governs the Dispute, the following provision is included:

PROMISSORY NOTE (Continued)

Confession of Judgment. The arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

ELECTRONIC TRANSMISSION OF DOCUMENTS. Lender may, in its sole discretion, rely upon any document, report, agreement or other communication ("Document") you send by email, facsimile or other electronic means, treating the Document as genuine and authorized to the same extent as if it was an original document executed by you or your authorized representative. Lender may from time to time in its sole discretion reject any such electronic Document and require a signed original, or require you to provide acceptable authentication of any such Document before accepting or relying on same. You understand and acknowledge that there is a risk that Documents sent by electronic means may be viewed or received by unauthorized persons, and you agree that by sending Documents by electronic means, you shall be deemed to have accepted this risk and the consequences of any such unauthorized disclosure.

COMMUNITY PROPERTY. In addition to the rights of Lender under any applicable community property laws, any Borrower who has an interest in community property under applicable law acknowledges and agrees that his/her obligation as borrower is incurred in the interest of and to benefit the marital community (or domestic partnership, if applicable), and expressly agrees that recourse may be had against his or her separate property and his or her rights in community property and community assets for all of his or her obligations to Lender, in addition to any other property that may be subject to rights of Lender.

ADDITIONAL EVENTS OF DEFAULT. In addition to the Events of Default described herein, the following shall be an Event of Default if applicable: (i) Borrower or Guarantor fails to comply with any terms or conditions of any agreement with Lender or any Wells Fargo Affiliate; or (ii) Borrower or Guarantor revoke or dispute the validity of any of its liabilities or obligations under the Agreement, or any Related Documents or any other agreement with Lender or any Wells Fargo Affiliate. For purposes of this provision Wells Fargo Affiliate shall mean Wells Fargo & Company and any present or future subsidiary of Wells Fargo & Company.

SUCCESSOR INTERESTS. The terms of this Note shall be binding upon Borrower, and upon Borrower's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and its successors and assigns.

GENERAL PROVISIONS. If any part of this Note cannot be enforced, this fact will not affect the rest of the Note. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Lender's security interest in the collateral; and take any other action deemed necessary by Lender without the consent of or notice to anyone. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Note are joint and several.

PRIOR TO SIGNING THIS NOTE, BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE. BORROWER AGREES TO THE TERMS OF THE NOTE.

BORROWER ACKNOWLEDGES RECEIPT OF A COMPLETED COPY OF THIS PROMISSORY NOTE.

CONTINUING GUARANTEE OF PAYMENT AND PERFORMANCE. For good and valuable consideration, Guarantor absolutely and unconditionally guarantees full and punctual payment and satisfaction of the indebtedness of Borrower to Lender, and the performance and discharge of all Borrower's obligations under the Note and the Related Documents. This is a guaranty of payment and performance and not of collection, so Lender can enforce this Guaranty against Guarantor even when Lender has not exhausted Lender's remedies against anyone else obligated to pay the indebtedness or against any collateral securing the indebtedness, this Guaranty or any other guaranty of the indebtedness. Guarantor will make any payments to Lender or its order, on demand, in legal tender of the United States of America, in same-day funds, without set-off or deduction or counterclaim, and will otherwise perform Borrower's obligations under the Note and Related Documents. Under this Guaranty, Guarantor's liability is unlimited and Guarantor's obligations are continuing.

INDEBTEDNESS. The word "Indebtedness" as used in this Guaranty means all of the principal amount outstanding from time to time and at any one or more times, accrued unpaid interest thereon and all collection costs and legal expenses related thereto permitted by law, reasonable attorneys' fees, arising from any and all debts, liabilities and obligations of every nature or form, now existing or hereafter arising or acquired, that Borrower individually or collectively or interchangeably with others, owes or will owe Lender. "Indebtedness" includes, without limitation, loans, advances, debts, overdraft indebtedness, credit card indebtedness, lease obligations, liabilities and obligations under any interest rate protection agreements or foreign currency exchange agreements or commodity price protection agreements, other obligations, and liabilities of Borrower, and any present or future judgments against Borrower, future advances, loans or transactions that renew, extend, modify, refinance, consolidate or substitute these debts, liabilities and obligations whether: voluntarily or involuntarily incurred; due or to become due by their terms or acceleration; absolute or contingent; liquidated or unliquidated; determined or undetermined; direct or indirect; primary or secondary in nature or arising from a guaranty or surety; secured or unsecured; joint or several or joint and several; evidenced by a negotiable or non-negotiable instrument or writing; originated by Lender or another or others; barred or unenforceable against Borrower for any reason whatsoever; for any transactions that may be voidable for any reason (such as infancy, insanity, ultra vires or otherwise); and originated then reduced or extinguished and then afterwards increased or reinstated.

If Lender presently holds one or more guaranties, or hereafter receives additional guaranties from Guarantor, Lender's rights under all guaranties shall be cumulative. This Guaranty shall not (unless specifically provided below to the contrary) affect or invalidate any such other guaranties. Guarantor's liability will be Guarantor's aggregate liability under the terms of this Guaranty and any such other unexpired guaranties.

CONTINUING GUARANTY. THIS IS A "CONTINUING GUARANTY" UNDER WHICH GUARANTOR AGREES TO GUARANTEE THE FULL AND PUNCTUAL PAYMENT, PERFORMANCE AND SATISFACTION OF THE INDEBTEDNESS OF BORROWER TO LENDER, NOW EXISTING OR HEREAFTER ARISING OR ACQUIRED, ON AN OPEN AND CONTINUING BASIS. ACCORDINGLY, ANY PAYMENTS MADE ON THE INDEBTEDNESS WILL NOT DISCHARGE OR DIMINISH GUARANTOR'S OBLIGATIONS AND LIABILITY UNDER THIS GUARANTY FOR ANY REMAINING AND SUCCEEDING INDEBTEDNESS EVEN WHEN ALL OR PART OF THE OUTSTANDING INDEBTEDNESS MAY BE A ZERO BALANCE FROM TIME TO TIME.

DURATION OF GUARANTY. This Guaranty will take effect when received by Lender without the necessity of any acceptance by Lender, or any notice to Guarantor or to Borrower, and will continue in full force until all the indebtedness incurred or contracted before receipt by Lender of any notice of revocation shall have been fully and finally paid and satisfied and all of Guarantor's other obligations under this Guaranty shall have been performed in full. If Guarantor elects to revoke this Guaranty, Guarantor may only do so in writing. Guarantor's written notice of revocation must be mailed to Lender, by certified mail, at Lender's address listed above or such other place as Lender may designate in writing. Written revocation of this Guaranty will apply only to new indebtedness created after actual receipt by Lender of Guarantor's written revocation. For this purpose and without limitation, the term "new indebtedness" does not include the indebtedness which at the time of notice of revocation is contingent, unliquidated, undetermined or not due and which later becomes absolute, liquidated, determined or due. For this purpose and without limitation, "new indebtedness" does not include all or part of the indebtedness that is: incurred by Borrower prior to revocation; incurred under a commitment that became binding before revocation; any renewals, extensions, substitutions, and modifications of the indebtedness. This Guaranty shall bind Guarantor's estate as to the indebtedness created both before and after Guarantor's death or incapacity, regardless of Lender's actual notice of Guarantor's death. Subject to the foregoing, Guarantor's executor or administrator or other legal representative may terminate this Guaranty in the same manner in which Guarantor might have terminated it and with the same effect. Release of any other guarantor or termination of any other guaranty of the indebtedness shall not affect the liability of Guarantor under this Guaranty. A revocation Lender receives from any one or more Guarantors shall not affect the liability of any remaining Guarantors under this Guaranty. It is anticipated that fluctuations may occur in the aggregate amount of the indebtedness covered by this Guaranty, and Guarantor specifically acknowledges and agrees that reductions in the amount of the indebtedness, even to zero dollars (\$0.00), shall not constitute a termination of this Guaranty. This Guaranty is binding upon Guarantor and Guarantor's heirs, successors and assigns so long as any of the indebtedness remains unpaid and even though the indebtedness may from time to time be zero dollars (\$0.00).

GUARANTOR'S AUTHORIZATION TO LENDER. Guarantor authorizes Lender, either before or after any revocation hereof, without notice or demand and without lessening Guarantor's liability under this Guaranty, from time to time: (A) prior to revocation as set forth above, to make one or more additional secured or unsecured loans to Borrower, to lease equipment or other goods to Borrower, or otherwise to extend additional credit to Borrower; (B) to alter, compromise, renew, extend, accelerate, or otherwise change one or more times the time for payment or other terms of the indebtedness or any part of the indebtedness, including increases and decreases of the rate of interest on the indebtedness; extensions may be repeated and may be for longer than the original loan term; (C) to take and hold security for the payment of

this Guaranty or the Indebtedness, and exchange, enforce, waive, subordinate, fail or decide not to perfect, and release any such security, with or without the substitution of new collateral; (D) to release, substitute, agree not to sue, or deal with any one or more of Borrower's sureties, endorsers, or other guarantors on any terms or in any manner Lender may choose; (E) to determine how, when and what application of payments and credits shall be made on the Indebtedness; (F) to apply such security and direct the order or manner of sale thereof, including without limitation, any nonjudicial sale permitted by the terms of the controlling security agreement or deed of trust, as Lender in its discretion may determine; (G) to sell, transfer, assign or grant participations in all or any part of the Indebtedness; and (H) to assign or transfer this Guaranty in whole or in part.

GUARANTOR'S REPRESENTATIONS AND WARRANTIES. Guarantor represents and warrants to Lender that (A) no representations or agreements of any kind have been made to Guarantor which would limit or qualify in any way the terms of this Guaranty; (B) this Guaranty is executed at Borrower's request and not at the request of Lender; (C) Guarantor has full power, right and authority to enter into this Guaranty; (D) the provisions of this Guaranty do not conflict with or result in a default under any agreement or other instrument binding upon Guarantor and do not result in a violation of any law, regulation, court decree or order applicable to Guarantor; (E) Guarantor has not and will not, without the prior written consent of Lender, sell, lease, assign, encumber, hypothecate, transfer, or otherwise dispose of all or substantially all of Guarantor's assets, or any interest therein; (F) upon Lender's request, Guarantor will provide to Lender financial and credit information in form acceptable to Lender, and all such financial information which currently has been, and all future financial information which will be provided to Lender is and will be true and correct in all material respects and fairly present Guarantor's financial condition as of the dates the financial information is provided; (G) no material adverse change has occurred in Guarantor's financial condition since the date of the most recent financial statements provided to Lender and no event has occurred which may materially adversely affect Guarantor's financial condition; (H) no litigation, claim, investigation, administrative proceeding or similar action (including those for unpaid taxes) against Guarantor is pending or threatened; (I) Lender has made no representation to Guarantor as to the creditworthiness of Borrower; and (J) Guarantor has established adequate means of obtaining from Borrower on a continuing basis information regarding Borrower's financial condition. Guarantor agrees to keep adequately informed from such means of any facts, events, or circumstances which might in any way affect Guarantor's risks under this Guaranty, and Guarantor further agrees that, absent a request for information, Lender shall have no obligation to disclose to Guarantor any information or documents acquired by Lender in the course of its relationship with Borrower.

GUARANTOR'S WAIVERS. Except as prohibited by applicable law, Guarantor waives any right to require Lender (A) to continue lending money or to extend other credit to Borrower; (B) to make any presentment, protest, demand, or notice of any kind, including notice of any nonpayment of the Indebtedness or of any nonpayment related to any collateral, or notice of any action or nonaction on the part of Borrower, Lender, any surety, endorser, or other guarantor in connection with the Indebtedness or in connection with the creation of new or additional loans or obligations; (C) to resort for payment or to proceed directly or at once against any person, including Borrower or any other guarantor; (D) to proceed directly against or exhaust any collateral held by Lender from Borrower, any other guarantor, or any other person; (E) to give notice of the terms, time, and place of any public or private sale of personal property security held by Lender from Borrower or to comply with any other applicable provisions of the Uniform Commercial Code; (F) to pursue any other remedy within Lender's power; or (G) to commit any act or omission of any kind, or at any time, with respect to any matter whatsoever.

Guarantor also waives any and all rights or defenses based on suretyship or impairment of collateral including, but not limited to, any rights or defenses arising by reason of (A) any "one action" or "anti-deficiency" law or any other law which may prevent Lender from bringing any action, including a claim for deficiency, against Guarantor, before or after Lender's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale; (B) any election of remedies by Lender which destroys or otherwise adversely affects Guarantor's subrogation rights or Guarantor's rights to proceed against Borrower for reimbursement, including without limitation, any loss of rights Guarantor may suffer by reason of any law limiting, qualifying, or discharging the Indebtedness; (C) any disability or other defense of Borrower, of any other guarantor, or of any other person, or by reason of the cessation of Borrower's liability from any cause whatsoever, other than payment in full in legal tender, of the Indebtedness; (D) any right to claim discharge of the Indebtedness on the basis of unjustified impairment of any collateral for the Indebtedness; (E) any statute of limitations, if at any time any action or suit brought by Lender against Guarantor is commenced, there is outstanding Indebtedness which is not barred by any applicable statute of limitations; or (F) any defenses given to guarantors at law or in equity other than actual payment and performance of the Indebtedness. If payment is made by Borrower, whether voluntarily or otherwise, or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, the Indebtedness shall be considered unpaid for the purpose of the enforcement of this Guaranty.

Guarantor further waives and agrees not to assert or claim at any time any deductions to the amount guaranteed under this Guaranty for any claim of setoff, counterclaim, counter demand, recoupment or similar right, whether such claim, demand or right may be asserted by the Borrower, the Guarantor, or both.

GUARANTOR'S UNDERSTANDING WITH RESPECT TO WAIVERS. Guarantor warrants and agrees that each of the waivers set forth above is made with Guarantor's full knowledge of its significance and consequences and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the extent permitted by law or public policy.

SUBORDINATION OF BORROWER'S DEBTS TO GUARANTOR. Guarantor agrees that the Indebtedness, whether now existing or hereafter created, shall be superior to any claim that Guarantor may now have or hereafter acquire against Borrower, whether or not Borrower becomes insolvent. Guarantor hereby expressly subordinates any claim Guarantor may have against Borrower, upon any account whatsoever, to any claim that Lender may now or hereafter have against Borrower. In the event of insolvency and consequent liquidation of the assets of Borrower, through bankruptcy, by an assignment for the benefit of creditors, by voluntary liquidation, or otherwise, the assets of Borrower applicable to the payment of the claims of both Lender and Guarantor shall be paid to Lender and shall be first applied by Lender to the Indebtedness. Guarantor does hereby assign to Lender all claims which it may have or acquire against Borrower or against any assignee or trustee in bankruptcy of Borrower; provided however, that such assignment shall be effective only for the purpose of assuring to Lender full payment in legal tender of the Indebtedness. If Lender so requests, any notes or credit agreements now or hereafter evidencing any debts or obligations of Borrower to Guarantor shall be marked with a legend that the same are subject to this Guaranty and shall be delivered to Lender. Guarantor agrees, and Lender is hereby authorized, in the name of Guarantor, from time to time to file financing statements and continuation statements and to execute documents and to take such other actions as Lender deems necessary or appropriate to perfect, preserve and enforce its rights under this Guaranty.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Guaranty:

Amendments. This Guaranty, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Guaranty. No alteration of or amendment to this Guaranty shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Guarantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Guaranty. Lender may hire or pay someone else to help enforce this Guaranty, and Guarantor shall pay the costs and expenses of such enforcement. Costs and expenses

include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Guarantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Guaranty are for convenience purposes only and are not to be used to interpret or define the provisions of this Guaranty.

Governing Law. This Guaranty will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Wyoming without regard to its conflicts of law provisions.

Integration. Guarantor further agrees that Guarantor has read and fully understands the terms of this Guaranty; Guarantor has had the opportunity to be advised by Guarantor's attorney with respect to this Guaranty; the Guaranty fully reflects Guarantor's intentions and parol evidence is not required to interpret the terms of this Guaranty. Guarantor hereby indemnifies and holds Lender harmless from all losses, claims, damages, and costs (including Lender's attorneys' fees) suffered or incurred by Lender as a result of any breach by Guarantor of the warranties, representations and agreements of this paragraph.

Interpretation. In all cases where there is more than one Borrower or Guarantor, then all words used in this Guaranty in the singular shall be deemed to have been used in the plural where the context and construction so require; and where there is more than one Borrower named in this Guaranty or when this Guaranty is executed by more than one Guarantor, the words "Borrower" and "Guarantor" respectively shall mean all and any one or more of them. The words "Guarantor," "Borrower," and "Lender" include the heirs, successors, assigns, and transferees of each of them. If a court finds that any provision of this Guaranty is not valid or should not be enforced, that fact by itself will not mean that the rest of this Guaranty will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Guaranty even if a provision of this Guaranty may be found to be invalid or unenforceable. If any one or more of Borrower or Guarantor are corporations, partnerships, limited liability companies, or similar entities, it is not necessary for Lender to inquire into the powers of Borrower or Guarantor or of the officers, directors, partners, managers, or other agents acting or purporting to act on their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed under this Guaranty.

Notices. Any notice required to be given under this Guaranty shall be given in writing, and, except for revocation notices by Guarantor, shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Guaranty. All revocation notices by Guarantor shall be in writing and shall be effective upon delivery to Lender as provided in the section of this Guaranty entitled "DURATION OF GUARANTY." Any party may change its address for notices under this Guaranty by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Guarantor agrees to keep Lender informed at all times of Guarantor's current address. Unless otherwise provided or required by law, if there is more than one Guarantor, any notice given by Lender to any Guarantor is deemed to be notice given to all Guarantors.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Guaranty unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Guaranty shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Guaranty. No prior waiver by Lender, nor any course of dealing between Lender and Guarantor, shall constitute a waiver of any of Lender's rights or of any of Guarantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Guaranty, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Successors and Assigns. Subject to any limitations stated in this Guaranty on transfer of Guarantor's interest, this Guaranty shall be binding upon and inure to the benefit of the parties, their successors and assigns.

Further Assurances. The parties hereto agree to do all things deemed necessary by Lender in order to fully document the loan evidenced by this Note and any related agreements, and will fully cooperate concerning the execution and delivery of security agreements, stock powers, instructions and/or other documents pertaining to any collateral intended to secure the indebtedness. The undersigned agree to assist in the cure of any defects in the execution, delivery or substance of the Note and related agreements, and in the creation and perfection of any liens, security interests or other collateral rights securing the Note. Borrower further agrees to pay Lender immediately upon demand the full amount of all charges, costs and expenses (to include fees paid to third parties) expended or incurred by Lender to monitor Lender's interest in any real property pledged as collateral for this Note, including without limitation all costs of appraisals.

Consent to Sell Loan. The parties hereto agree: (a) Lender may sell or transfer all or part of this loan to one or more purchasers, whether related or unrelated to Lender; (b) Lender may provide to any purchaser, or potential purchaser, any information or knowledge Lender may have about the parties or about any other matter relating to this loan obligation, and the parties waive any rights to privacy it may have with respect to such matters; (c) the purchaser of a loan will be considered its absolute owner and will have all the rights granted under the loan documents or agreements governing the sale of the loan; and (d) the purchaser of a loan may enforce its interests irrespective of any claims or defenses that the parties may have against Lender.

Security Interest and Right of Setoff (Guarantor). In addition to all liens upon and rights of setoff arising by law, Guarantor pledges and grants to Lender as security for Guarantor's obligations to Lender (excluding any consumer obligations subject to the Federal Truth in Lending Act), a security interest and lien upon all monies, securities, securities accounts, brokerage accounts, deposit accounts and other property of Guarantor now or hereafter in the possession of or on deposit with Lender or any Wells Fargo Affiliate, whether held in a general or special account or deposit or for safekeeping or otherwise, excluding however all IRA and Keogh accounts. No security interest, lien or right of setoff will be deemed to have been waived by any act or conduct on the part of Lender, or by any neglect to exercise such right, or by any delay in so doing, and every right of setoff, lien and security interest will continue in full force and effect until specifically waived or released by Lender in writing.

Facsimile and Counterpart. This document may be signed in any number of separate copies, each of which shall be effective as an original, but all of which taken together shall constitute a single document. An electronic transmission or other facsimile of this document or any related document shall be deemed an original and shall be admissible as evidence of the document and the signer's execution.

Arbitration Agreement. Arbitration - Binding Arbitration. Lender and each party to this agreement hereby agree, upon demand by any party, to submit any Dispute to binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any dispute, claim or controversy of any kind, whether in contract or in tort, legal or equitable, now existing or hereafter arising, relating in any way to any aspect of this agreement, or any related agreement incorporating this Arbitration Program (the "Documents"), or any renewal, extension, modification or refinancing of any indebtedness or obligation relating thereto, including without limitation, their negotiation,

execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination. DISPUTES SUBMITTED TO ARBITRATION ARE NOT RESOLVED IN COURT BY A JUDGE OR JURY. TO THE EXTENT ALLOWED BY APPLICABLE LAW, THE PARTIES IRREVOCABLY AND VOLUNTARILY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY DISPUTE ARBITRATED PURSUANT TO THIS ARBITRATION PROGRAM.

A. Governing Rules. Any arbitration proceeding will (i) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (ii) be conducted by the American Arbitration Association ("AAA"), or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least \$1,000,000.00 exclusive of claimed interest, arbitration fees and costs, in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes are referred to herein, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Arbitration proceedings hereunder shall be conducted at a location mutually agreeable to the parties, or if they cannot agree, then at a location selected by the AAA in the state of the applicable substantive law primarily governing the Note. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any Dispute. Arbitration may be demanded at any time, and may be compelled by summary proceedings in Court. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief. The arbitrator shall award all costs and expenses of the arbitration proceeding. Nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or any similar applicable state law.

B. No Waiver of Provisional Remedies, Self-Help and Foreclosure. The arbitration requirement does not limit the right of any party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any Dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

C. Arbitrator Qualifications and Powers. Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any Dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations. Every arbitrator must be a neutral practicing attorney or a retired member of the state or federal judiciary, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the Dispute. The arbitrator will determine whether or not an issue is arbitrable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all Disputes in accordance with the applicable substantive law and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the applicable state rules of civil procedure, or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

D. Discovery. In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the Dispute being arbitrated and must be completed no later than 20 days before the hearing date. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

E. Class Proceedings and Consolidations. No party shall be entitled to join or consolidate disputes by or against others who are not parties to this agreement or related Documents in any arbitration, or to include in any arbitration any dispute as a representative or member of a class, or to act in any arbitration in the interest of the general public or in a private attorney general capacity.

F. Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the Dispute for the Dispute to the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a Dispute, the arbitration provision most directly related to the documents between the parties or the subject matter of the Dispute shall control. This arbitration provision shall survive the repayment of the Note and the termination, amendment or expiration of any of the Documents or any relationship between the parties.

G. Real Property Collateral. Notwithstanding anything herein to the contrary, no Dispute shall be submitted to arbitration if the Dispute concerns indebtedness secured directly or indirectly, in whole or in part, by any real property and the Dispute is governed by the laws of California, Idaho, Montana, Nevada, South Dakota or Utah, unless any conditions for arbitration that may be set forth in the mortgage or deed of trust are satisfied; if any such Disputes are not referred to arbitration, then any provision in such mortgage or deed of trust providing for referral of Disputes to a referee or master under the laws of California or Utah shall be applicable to such Disputes.

H. State Specific Provisions.

If Delaware or Pennsylvania law governs the Dispute, the following provision is included:

Confession of Judgment. Notwithstanding anything herein to the contrary, the arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, or (ii) challenge the waiver of a right to prior disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

If Virginia law governs the Dispute, the following provision is included:

Confession of Judgment. The arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

COMMUNITY PROPERTY. In addition to the rights of Lender under any applicable community property laws, any Guarantor who has an interest in community property under applicable law acknowledges and agrees that his/her obligation as guarantor is incurred in the interest of and to benefit the marital community (or domestic partnership, if applicable), and expressly agrees that recourse may be had against his or her separate property and his or her rights in community property and community assets for all of his or her obligations to Lender, in addition to any other property that may be subject to rights of Lender.

Supplement to Definition of Indebtedness. The definition of "Indebtedness" herein includes, without limitation, all liability of Borrower, whether liquidated or unliquidated, defined, contingent, conditional or of any other nature whatsoever, and performance of all other obligations, arising under any swap, derivative, foreign exchange or hedge transaction or arrangement (or other similar transaction or arrangement howsoever described or defined) at any time entered into with Lender in connection with or relating to any promissory note, agreement or other document evidencing any portion of the Indebtedness.

CONTINUING GUARANTEE OF PAYMENT AND PERFORMANCE. For good and valuable consideration, Guarantor absolutely and unconditionally guarantees full and punctual payment and satisfaction of the indebtedness of Borrower to Lender, and the performance and discharge of all Borrower's obligations under the Note and the Related Documents. This is a guaranty of payment and performance and not of collection, so Lender can enforce this Guaranty against Guarantor even when Lender has not exhausted Lender's remedies against anyone else obligated to pay the indebtedness or against any collateral securing the indebtedness, this Guaranty or any other guaranty of the indebtedness. Guarantor will make any payments to Lender or its order, on demand, in legal tender of the United States of America, in same-day funds, without set-off or deduction or counterclaim, and will otherwise perform Borrower's obligations under the Note and Related Documents. Under this Guaranty, Guarantor's liability is unlimited and Guarantor's obligations are continuing.

INDEBTEDNESS. The word "indebtedness" as used in this Guaranty means all of the principal amount outstanding from time to time and at any one or more times, accrued unpaid interest thereon and all collection costs and legal expenses related thereto permitted by law, reasonable attorneys' fees, arising from any and all debts, liabilities and obligations of every nature or form, now existing or hereafter arising or acquired, that Borrower individually or collectively or interchangeably with others, owes or will owe Lender. "indebtedness" includes, without limitation, loans, advances, debts, overdraft indebtedness, credit card indebtedness, lease obligations, liabilities and obligations under any interest rate protection agreements or foreign currency exchange agreements or commodity price protection agreements, other obligations, and liabilities of Borrower, and any present or future judgments against Borrower, future advances, loans or transactions that renew, extend, modify, refinance, consolidate or substitute these debts, liabilities and obligations whether: voluntarily or involuntarily incurred; due or to become due by their terms or acceleration; absolute or contingent; liquidated or unliquidated; determined or undetermined; direct or indirect; primary or secondary in nature or arising from a guaranty or surety; secured or unsecured; joint or several or joint and several; evidenced by a negotiable or non-negotiable instrument or writing; originated by Lender or another or others; barred or unenforceable against Borrower for any reason whatsoever; for any transactions that may be voidable for any reason (such as infancy, insanity, ultra vires or otherwise); and originated then reduced or extinguished and then afterwards increased or reinstated.

If Lender presently holds one or more guaranties, or hereafter receives additional guaranties from Guarantor, Lender's rights under all guaranties shall be cumulative. This Guaranty shall not (unless specifically provided below to the contrary) affect or invalidate any such other guaranties. Guarantor's liability will be Guarantor's aggregate liability under the terms of this Guaranty and any such other unterminted guaranties.

CONTINUING GUARANTY. THIS IS A "CONTINUING GUARANTY" UNDER WHICH GUARANTOR AGREES TO GUARANTEE THE FULL AND PUNCTUAL PAYMENT, PERFORMANCE AND SATISFACTION OF THE INDEBTEDNESS OF BORROWER TO LENDER, NOW EXISTING OR HEREAFTER ARISING OR ACQUIRED, ON AN OPEN AND CONTINUING BASIS. ACCORDINGLY, ANY PAYMENTS MADE ON THE INDEBTEDNESS WILL NOT DISCHARGE OR DIMINISH GUARANTOR'S OBLIGATIONS AND LIABILITY UNDER THIS GUARANTY FOR ANY REMAINING AND SUCCEEDING INDEBTEDNESS EVEN WHEN ALL OR PART OF THE OUTSTANDING INDEBTEDNESS MAY BE A ZERO BALANCE FROM TIME TO TIME.

DURATION OF GUARANTY. This Guaranty will take effect when received by Lender without the necessity of any acceptance by Lender, or any notice to Guarantor or to Borrower, and will continue in full force until all the indebtedness incurred or contracted before receipt by Lender of any notice of revocation shall have been fully and finally paid and satisfied and all of Guarantor's other obligations under this Guaranty shall have been performed in full. If Guarantor elects to revoke this Guaranty, Guarantor may only do so in writing. Guarantor's written notice of revocation must be mailed to Lender, by certified mail, at Lender's address listed above or such other place as Lender may designate in writing. Written revocation of this Guaranty will apply only to new indebtedness created after actual receipt by Lender of Guarantor's written revocation. For this purpose and without limitation, the term "new indebtedness" does not include the indebtedness which at the time of notice of revocation is contingent, unliquidated, undetermined or not due and which later becomes absolute, liquidated, determined or due. For this purpose and without limitation, "new indebtedness" does not include all or part of the indebtedness that is: incurred by Borrower prior to revocation; incurred under a commitment that became binding before revocation; any renewals, extensions, substitutions, and modifications of the indebtedness. This Guaranty shall bind Guarantor's estate as to the indebtedness created both before and after Guarantor's death or incapacity, regardless of Lender's actual notice of Guarantor's death. Subject to the foregoing, Guarantor's executor or administrator or other legal representative may terminate this Guaranty in the same manner in which Guarantor might have terminated it and with the same effect. Release of any other guarantor or termination of any other guaranty of the indebtedness shall not affect the liability of Guarantor under this Guaranty. A revocation Lender receives from any one or more Guarantors shall not affect the liability of any remaining Guarantors under this Guaranty. It is anticipated that fluctuations may occur in the aggregate amount of the indebtedness covered by this Guaranty, and Guarantor specifically acknowledges and agrees that reductions in the amount of the indebtedness, even to zero dollars (\$0.00), shall not constitute a termination of this Guaranty. This Guaranty is binding upon Guarantor and Guarantor's heirs, successors and assigns so long as any of the indebtedness remains unpaid and even though the indebtedness may from time to time be zero dollars (\$0.00).

GUARANTOR'S AUTHORIZATION TO LENDER. Guarantor authorizes Lender, either before or after any revocation hereof, without notice or demand and without lessening Guarantor's liability under this Guaranty, from time to time: (A) prior to revocation as set forth above, to make one or more additional secured or unsecured loans to Borrower, to lease equipment or other goods to Borrower, or otherwise to extend additional credit to Borrower; (B) to alter, compromise, renew, extend, accelerate, or otherwise change one or more times the time for payment or other terms of the indebtedness or any part of the indebtedness, including increases and decreases of the rate of interest on the indebtedness; extensions may be repeated and may be for longer than the original loan term; (C) to take and hold security for the payment of

this Guaranty or the indebtedness, and exchange, enforce, waive, subordinate, fail or decide not to perfect, and release any such security, with or without the substitution of new collateral; (D) to release, substitute, agree not to sue, or deal with any one or more of Borrower's sureties, endorsers, or other guarantors on any terms or in any manner Lender may choose; (E) to determine how, when and what application of payments and credits shall be made on the indebtedness; (F) to apply such security and direct the order or manner of sale thereof, including without limitation, any nonjudicial sale permitted by the terms of the controlling security agreement or deed of trust, as Lender in its discretion may determine; (G) to sell, transfer, assign or grant participations in all or any part of the indebtedness; and (H) to assign or transfer this Guaranty in whole or in part.

GUARANTOR'S REPRESENTATIONS AND WARRANTIES. Guarantor represents and warrants to Lender that (A) no representations or agreements of any kind have been made to Guarantor which would limit or qualify in any way the terms of this Guaranty; (B) this Guaranty is executed at Borrower's request and not at the request of Lender; (C) Guarantor has full power, right and authority to enter into this Guaranty; (D) the provisions of this Guaranty do not conflict with or result in a default under any agreement or other instrument binding upon Guarantor and do not result in a violation of any law, regulation, court decree or order applicable to Guarantor; (E) Guarantor has not and will not, without the prior written consent of Lender, sell, lease, assign, encumber, hypothecate, transfer, or otherwise dispose of all or substantially all of Guarantor's assets, or any interest therein; (F) upon Lender's request, Guarantor will provide to Lender financial and credit information in form acceptable to Lender, and all such financial information which currently has been, and all future financial information which will be provided to Lender is and will be true and correct in all material respects and fairly present Guarantor's financial condition as of the dates the financial information is provided; (G) no material adverse change has occurred in Guarantor's financial condition since the date of the most recent financial statements provided to Lender and no event has occurred which may materially adversely affect Guarantor's financial condition; (H) no litigation, claim, investigation, administrative proceeding or similar action (including those for unpaid taxes) against Guarantor is pending or threatened; (I) Lender has made no representation to Guarantor as to the creditworthiness of Borrower; and (J) Guarantor has established adequate means of obtaining from Borrower on a continuing basis information regarding Borrower's financial condition. Guarantor agrees to keep adequately informed from such means of any facts, events, or circumstances which might in any way affect Guarantor's risks under this Guaranty, and Guarantor further agrees that, absent a request for information, Lender shall have no obligation to disclose to Guarantor any information or documents acquired by Lender in the course of its relationship with Borrower.

GUARANTOR'S WAIVERS. Except as prohibited by applicable law, Guarantor waives any right to require Lender (A) to continue lending money or to extend other credit to Borrower; (B) to make any presentment, protest, demand, or notice of any kind, including notice of any nonpayment of the indebtedness or of any nonpayment related to any collateral, or notice of any action or nonaction on the part of Borrower, Lender, any surety, endorser, or other guarantor in connection with the indebtedness or in connection with the creation of new or additional loans or obligations; (C) to resort for payment or to proceed directly or at once against any person, including Borrower or any other guarantor; (D) to proceed directly against or exhaust any collateral held by Lender from Borrower, any other guarantor, or any other person; (E) to give notice of the terms, time, and place of any public or private sale of personal property security held by Lender from Borrower or to comply with any other applicable provisions of the Uniform Commercial Code; (F) to pursue any other remedy within Lender's power; or (G) to commit any act or omission of any kind, or at any time, with respect to any matter whatsoever.

Guarantor also waives any and all rights or defenses based on suretyship or impairment of collateral including, but not limited to, any rights or defenses arising by reason of (A) any "one action" or "anti-deficiency" law or any other law which may prevent Lender from bringing any action, including a claim for deficiency, against Guarantor, before or after Lender's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale; (B) any election of remedies by Lender which destroys or otherwise adversely affects Guarantor's subrogation rights or Guarantor's rights to proceed against Borrower for reimbursement, including without limitation, any loss of rights Guarantor may suffer by reason of any law limiting, qualifying, or discharging the indebtedness; (C) any disability or other defense of Borrower, of any other guarantor, or of any other person, or by reason of the cessation of Borrower's liability from any cause whatsoever, other than payment in full in legal tender, of the indebtedness; (D) any right to claim discharge of the indebtedness on the basis of unjustified impairment of any collateral for the indebtedness; (E) any statute of limitations, if at any time any action or suit brought by Lender against Guarantor is commenced, there is outstanding indebtedness which is not barred by any applicable statute of limitations; or (F) any defenses given to guarantors at law or in equity other than actual payment and performance of the indebtedness. If payment is made by Borrower, whether voluntarily or otherwise, or by any third party, on the indebtedness and thereafter Lender is forced to remit the amount of that payment to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, the indebtedness shall be considered unpaid for the purpose of the enforcement of this Guaranty.

Guarantor further waives and agrees not to assert or claim at any time any deductions to the amount guaranteed under this Guaranty for any claim of setoff, counterclaim, counter demand, recoupment or similar right, whether such claim, demand or right may be asserted by the Borrower, the Guarantor, or both.

GUARANTOR'S UNDERSTANDING WITH RESPECT TO WAIVERS. Guarantor warrants and agrees that each of the waivers set forth above is made with Guarantor's full knowledge of its significance and consequences and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the extent permitted by law or public policy.

SUBORDINATION OF BORROWER'S DEBTS TO GUARANTOR. Guarantor agrees that the indebtedness, whether now existing or hereafter created, shall be superior to any claim that Guarantor may now have or hereafter acquire against Borrower, whether or not Borrower becomes insolvent. Guarantor hereby expressly subordinates any claim Guarantor may have against Borrower, upon any account whatsoever, to any claim that Lender may now or hereafter have against Borrower. In the event of insolvency and consequent liquidation of the assets of Borrower, through bankruptcy, by an assignment for the benefit of creditors, by voluntary liquidation, or otherwise, the assets of Borrower applicable to the payment of the claims of both Lender and Guarantor shall be paid to Lender and shall be first applied by Lender to the indebtedness. Guarantor does hereby assign to Lender all claims which it may have or acquire against Borrower or against any assignee or trustee in bankruptcy of Borrower; provided however, that such assignment shall be effective only for the purpose of assuring to Lender full payment in legal tender of the indebtedness. If Lender so requests, any notes or credit agreements now or hereafter evidencing any debts or obligations of Borrower to Guarantor shall be marked with a legend that the same are subject to this Guaranty and shall be delivered to Lender. Guarantor agrees, and Lender is hereby authorized, in the name of Guarantor, from time to time to file financing statements and continuation statements and to execute documents and to take such other actions as Lender deems necessary or appropriate to perfect, preserve and enforce its rights under this Guaranty.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Guaranty:

Amendments. This Guaranty, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Guaranty. No alteration of or amendment to this Guaranty shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Guarantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Guaranty. Lender may hire or pay someone else to help enforce this Guaranty, and Guarantor shall pay the costs and expenses of such enforcement. Costs and expenses

include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Guarantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Guaranty are for convenience purposes only and are not to be used to interpret or define the provisions of this Guaranty.

Governing Law. This Guaranty will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Wyoming without regard to its conflicts of law provisions.

Integration. Guarantor further agrees that Guarantor has read and fully understands the terms of this Guaranty; Guarantor has had the opportunity to be advised by Guarantor's attorney with respect to this Guaranty; the Guaranty fully reflects Guarantor's intentions and parol evidence is not required to interpret the terms of this Guaranty. Guarantor hereby indemnifies and holds Lender harmless from all losses, claims, damages, and costs (including Lender's attorneys' fees) suffered or incurred by Lender as a result of any breach by Guarantor of the warranties, representations and agreements of this paragraph.

Interpretation. In all cases where there is more than one Borrower or Guarantor, then all words used in this Guaranty in the singular shall be deemed to have been used in the plural where the context and construction so require; and where there is more than one Borrower named in this Guaranty or when this Guaranty is executed by more than one Guarantor, the words "Borrower" and "Guarantor" respectively shall mean all and any one or more of them. The words "Guarantor," "Borrower," and "Lender" include the heirs, successors, assigns, and transferees of each of them. If a court finds that any provision of this Guaranty is not valid or should not be enforced, that fact by itself will not mean that the rest of this Guaranty will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Guaranty even if a provision of this Guaranty may be found to be invalid or unenforceable. If any one or more of Borrower or Guarantor are corporations, partnerships, limited liability companies, or similar entities, it is not necessary for Lender to inquire into the powers of Borrower or Guarantor or of the officers, directors, partners, managers, or other agents acting or purporting to act on their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed under this Guaranty.

Notices. Any notice required to be given under this Guaranty shall be given in writing, and, except for revocation notices by Guarantor, shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Guaranty. All revocation notices by Guarantor shall be in writing and shall be effective upon delivery to Lender as provided in the section of this Guaranty entitled "DURATION OF GUARANTY." Any party may change its address for notices under this Guaranty by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Guarantor agrees to keep Lender informed at all times of Guarantor's current address. Unless otherwise provided or required by law, if there is more than one Guarantor, any notice given by Lender to any Guarantor is deemed to be notice given to all Guarantors.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Guaranty unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Guaranty shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Guaranty. No prior waiver by Lender, nor any course of dealing between Lender and Guarantor, shall constitute a waiver of any of Lender's rights or of any of Guarantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Guaranty, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Successors and Assigns. Subject to any limitations stated in this Guaranty on transfer of Guarantor's interest, this Guaranty shall be binding upon and inure to the benefit of the parties, their successors and assigns.

Further Assurances. The parties hereto agree to do all things deemed necessary by Lender in order to fully document the loan evidenced by this Note and any related agreements, and will fully cooperate concerning the execution and delivery of security agreements, stock powers, instructions and/or other documents pertaining to any collateral intended to secure the indebtedness. The undersigned agree to assist in the cure of any defects in the execution, delivery or substance of the Note and related agreements, and in the creation and perfection of any liens, security interests or other collateral rights securing the Note. Borrower further agrees to pay Lender immediately upon demand the full amount of all charges, costs and expenses (to include fees paid to third parties) expended or incurred by Lender to monitor Lender's interest in any real property pledged as collateral for this Note, including without limitation all costs of appraisals.

Consent to Sell Loan. The parties hereto agree: (a) Lender may sell or transfer all or part of this loan to one or more purchasers, whether related or unrelated to Lender; (b) Lender may provide to any purchaser, or potential purchaser, any information or knowledge Lender may have about the parties or about any other matter relating to this loan obligation, and the parties waive any rights to privacy it may have with respect to such matters; (c) the purchaser of a loan will be considered its absolute owner and will have all the rights granted under the loan documents or agreements governing the sale of the loan; and (d) the purchaser of a loan may enforce its interests irrespective of any claims or defenses that the parties may have against Lender.

Security Interest and Right of Setoff (Guarantor). In addition to all liens upon and rights of setoff arising by law, Guarantor pledges and grants to Lender as security for Guarantor's obligations to Lender (excluding any consumer obligations subject to the Federal Truth in Lending Act), a security interest and lien upon all monies, securities, securities accounts, brokerage accounts, deposit accounts and other property of Guarantor now or hereafter in the possession of or on deposit with Lender or any Wells Fargo Affiliate, whether held in a general or special account or deposit or for safekeeping or otherwise, excluding however all IRA and Keogh accounts. No security interest, lien or right of setoff will be deemed to have been waived by any act or conduct on the part of Lender, or by any neglect to exercise such right, or by any delay in so doing, and every right of setoff, lien and security interest will continue in full force and effect until specifically waived or released by Lender in writing.

Facsimile and Counterpart. This document may be signed in any number of separate copies, each of which shall be effective as an original, but all of which taken together shall constitute a single document. An electronic transmission or other facsimile of this document or any related document shall be deemed an original and shall be admissible as evidence of the document and the signer's execution.

Arbitration Agreement - Binding Arbitration. Lender and each party to this agreement hereby agree, upon demand by any party, to submit any Dispute to binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any dispute, claim or controversy of any kind, whether in contract or in tort, legal or equitable, now existing or hereafter arising, relating in any way to any aspect of this agreement, or any related agreement incorporating this Arbitration Program (the "Documents"), or any renewal, extension, modification or refinancing of any indebtedness or obligation relating thereto, including without limitation, their negotiation,

execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination. DISPUTES SUBMITTED TO ARBITRATION ARE NOT RESOLVED IN COURT BY A JUDGE OR JURY. TO THE EXTENT ALLOWED BY APPLICABLE LAW, THE PARTIES IRREVOCABLY AND VOLUNTARILY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY DISPUTE ARBITRATED PURSUANT TO THIS ARBITRATION PROGRAM.

A. Governing Rules. Any arbitration proceeding will (i) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (ii) be conducted by the American Arbitration Association ("AAA"), or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least \$1,000,000.00 exclusive of claimed interest, arbitration fees and costs, in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes are referred to herein, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Arbitration proceedings hereunder shall be conducted at a location mutually agreeable to the parties, or if they cannot agree, then at a location selected by the AAA in the state of the applicable substantive law primarily governing the Note. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any Dispute. Arbitration may be demanded at any time, and may be compelled by summary proceedings in Court. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief. The arbitrator shall award all costs and expenses of the arbitration proceeding. Nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or any similar applicable state law.

B. No Waiver of Provisional Remedies, Self-Help and Foreclosure. The arbitration requirement does not limit the right of any party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any Dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

C. Arbitrator Qualifications and Powers. Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any Dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations. Every arbitrator must be a neutral practicing attorney or a retired member of the state or federal judiciary, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the Dispute. The arbitrator will determine whether or not an issue is arbitrable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all Disputes in accordance with the applicable substantive law and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the applicable state rules of civil procedure, or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

D. Discovery. In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the Dispute being arbitrated and must be completed no later than 20 days before the hearing date. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

E. Class Proceedings and Consolidations. No party shall be entitled to join or consolidate disputes by or against others who are not parties to this agreement or related Documents in any arbitration, or to include in any arbitration any dispute as a representative or member of a class, or to act in any arbitration in the interest of the general public or in a private attorney general capacity.

F. Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the Dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a Dispute, the arbitration provision most directly related to the documents between the parties or the subject matter of the Dispute shall control. This arbitration provision shall survive the repayment of the Note and the termination, amendment or expiration of any of the Documents or any relationship between the parties.

G. Real Property Collateral. Notwithstanding anything herein to the contrary, no Dispute shall be submitted to arbitration if the Dispute concerns indebtedness secured directly or indirectly, in whole or in part, by any real property and the Dispute is governed by the laws of California, Idaho, Montana, Nevada, South Dakota or Utah, unless any conditions for arbitration that may be set forth in the mortgage or deed of trust are satisfied; if any such Disputes are not referred to arbitration, then any provision in such mortgage or deed of trust providing for referral of Disputes to a referee or master under the laws of California or Utah shall be applicable to such Disputes.

H. State Specific Provisions.

If Delaware or Pennsylvania law governs the Dispute, the following provision is included:

Confession of Judgment. Notwithstanding anything herein to the contrary, the arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, or (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

If Virginia law governs the Dispute, the following provision is included:

Confession of Judgment. The arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

COMMUNITY PROPERTY. In addition to the rights of Lender under any applicable community property laws, any Guarantor who has an interest in community property under applicable law acknowledges and agrees that his/her obligation as guarantor is incurred in the interest of and to benefit the marital community (or domestic partnership, if applicable), and expressly agrees that recourse may be had against his or her separate property and his or her rights in community property and community assets for all of his or her obligations to Lender, in addition to any other property that may be subject to rights of Lender.

Supplement to Definition of Indebtedness. The definition of "Indebtedness" herein includes, without limitation, all liability of Borrower, whether liquidated or unliquidated, defined, contingent, conditional or of any other nature whatsoever, and performance of all other obligations, arising under any swap, derivative, foreign exchange or hedge transaction or arrangement (or other similar transaction or arrangement howsoever described or defined) at any time entered into with Lender in connection with or relating to any promissory note, agreement or other document evidencing any portion of the Indebtedness.

Unless specifically stated to the contrary, all references to dollar amounts shall mean amounts in lawful money of the United States of America. CONTINUING GUARANTEE OF PAYMENT AND PERFORMANCE. For good and valuable consideration, Guarantor absolutely and unconditionally guarantees full and punctual payment and satisfaction of the Indebtedness of Borrower to Lender, and the performance and discharge of all Borrower's obligations under the Note and the Related Documents. This is a guaranty of payment and performance and not of collection, so Lender can enforce this Guaranty against Guarantor even when Lender has not exhausted Lender's remedies against anyone else obligated to pay the Indebtedness or against any collateral securing the Indebtedness, this Guaranty or any other guaranty of the Indebtedness. Guarantor will make any payments to Lender or its order, on demand, in legal tender of the United States of America, in same-day funds, without set-off or deduction or counterclaim, and will otherwise perform Borrower's obligations under the Note and Related Documents. Under this Guaranty, Guarantor's liability is unlimited and Guarantor's obligations are continuing.

INDEBTEDNESS. The word "Indebtedness" as used in this Guaranty means all of the principal amount outstanding from time to time and at any one or more times, accrued unpaid interest thereon and all collection costs and legal expenses related thereto permitted by law, reasonable attorneys' fees, arising from any and all debts, liabilities and obligations of every nature or form, now existing or hereafter arising or acquired, that Borrower individually or collectively or interchangeably with others, owes or will owe Lender. "Indebtedness" includes, without limitation, loans, advances, debts, overdraft indebtedness, credit card indebtedness, lease obligations, liabilities and obligations under any interest rate protection agreements or foreign currency exchange agreements or commodity price protection agreements, other obligations, and liabilities of Borrower, and any present or future judgments against Borrower, future advances, loans or transactions that renew, extend, modify, refinance, consolidate or substitute these debts, liabilities and obligations whether: voluntarily or involuntarily incurred; due or to become due by their terms or acceleration; absolute or contingent; liquidated or unliquidated; determined or undetermined; direct or indirect; primary or secondary in nature or arising from a guaranty or surety; secured or unsecured; joint or several or joint and several; evidenced by a negotiable or non-negotiable instrument or writing; originated by Lender or another or others; barred or unenforceable against Borrower for any reason whatsoever; for any transactions that may be voidable for any reason (such as infancy, insanity, ultra vires or otherwise); and originated then reduced or extinguished and then afterwards increased or reinstated.

If Lender presently holds one or more guaranties, or hereafter receives additional guaranties from Guarantor, Lender's rights under all guaranties shall be cumulative. This Guaranty shall not (unless specifically provided below to the contrary) affect or invalidate any such other guaranties. Guarantor's liability will be Guarantor's aggregate liability under the terms of this Guaranty and any such other unexpired guaranties.

CONTINUING GUARANTY. THIS IS A "CONTINUING GUARANTY" UNDER WHICH GUARANTOR AGREES TO GUARANTEE THE FULL AND PUNCTUAL PAYMENT, PERFORMANCE AND SATISFACTION OF THE INDEBTEDNESS OF BORROWER TO LENDER, NOW EXISTING OR HEREAFTER ARISING OR ACQUIRED, ON AN OPEN AND CONTINUING BASIS. ACCORDINGLY, ANY PAYMENTS MADE ON THE INDEBTEDNESS WILL NOT DISCHARGE OR DIMINISH GUARANTOR'S OBLIGATIONS AND LIABILITY UNDER THIS GUARANTY FOR ANY REMAINING AND SUCCEEDING INDEBTEDNESS EVEN WHEN ALL OR PART OF THE OUTSTANDING INDEBTEDNESS MAY BE A ZERO BALANCE FROM TIME TO TIME.

DURATION OF GUARANTY. This Guaranty will take effect when received by Lender without the necessity of any acceptance by Lender, or any notice to Guarantor or to Borrower, and will continue in full force until all the Indebtedness incurred or contracted before receipt by Lender of any notice of revocation shall have been fully and finally paid and satisfied and all of Guarantor's other obligations under this Guaranty shall have been performed in full. If Guarantor elects to revoke this Guaranty, Guarantor may only do so in writing. Guarantor's written notice of revocation must be mailed to Lender, by certified mail, at Lender's address listed above or such other place as Lender may designate in writing. Written revocation of this Guaranty will apply only to new Indebtedness created after actual receipt by Lender of Guarantor's written revocation. For this purpose and without limitation, the term "new Indebtedness" does not include the Indebtedness which at the time of notice of revocation is contingent, unliquidated, undetermined or not due and which later becomes absolute, liquidated, determined or due. For this purpose and without limitation, "new Indebtedness" does not include all or part of the Indebtedness that is: incurred by Borrower prior to revocation; incurred under a commitment that became binding before revocation; any renewals, extensions, substitutions, and modifications of the Indebtedness. This Guaranty shall bind Guarantor's estate as to the Indebtedness created both before and after Guarantor's death or incapacity, regardless of Lender's actual notice of Guarantor's death. Subject to the foregoing, Guarantor's executor or administrator or other legal representative may terminate this Guaranty in the same manner in which Guarantor might have terminated it and with the same effect. Release of any other guarantor or termination of any other guaranty of the Indebtedness shall not affect the liability of Guarantor under this Guaranty. A revocation Lender receives from any one or more Guarantors shall not affect the liability of any remaining Guarantors under this Guaranty. It is anticipated that fluctuations may occur in the aggregate amount of the Indebtedness covered by this Guaranty, and Guarantor specifically acknowledges and agrees that reductions in the amount of the Indebtedness, even to zero dollars (\$0.00), shall not constitute a termination of this Guaranty. This Guaranty is binding upon Guarantor and Guarantor's heirs, successors and assigns so long as any of the Indebtedness remains unpaid and even though the Indebtedness may from time to time be zero dollars (\$0.00).

GUARANTOR'S AUTHORIZATION TO LENDER. Guarantor authorizes Lender, either before or after any revocation hereof, without notice or demand and without lessening Guarantor's liability under this Guaranty, from time to time: (A) prior to revocation as set forth above, to make one or more additional secured or unsecured loans to Borrower, to lease equipment or other goods to Borrower, or otherwise to extend additional credit to Borrower; (B) to alter, compromise, renew, extend, accelerate, or otherwise change one or more times the time for payment or other terms of the Indebtedness or any part of the Indebtedness, including increases and decreases of the rate of interest on the Indebtedness; extensions may be repeated and may be for longer than the original loan term; (C) to take and hold security for the payment of

this Guaranty or the Indebtedness, and exchange, enforce, waive, subordinate, fall or decide not to perfect, and release any such security, with or without the substitution of new collateral; (D) to release, substitute, agree not to sue, or deal with any one or more of Borrower's sureties, endorsers, or other guarantors on any terms or in any manner Lender may choose; (E) to determine how, when and what application of payments and credits shall be made on the Indebtedness; (F) to apply such security and direct the order or manner of sale thereof, including without limitation, any nonjudicial sale permitted by the terms of the controlling security agreement or deed of trust, as Lender in its discretion may determine; (G) to sell, transfer, assign or grant participations in all or any part of the Indebtedness; and (H) to assign or transfer this Guaranty in whole or in part.

GUARANTOR'S REPRESENTATIONS AND WARRANTIES. Guarantor represents and warrants to Lender that (A) no representations or agreements of any kind have been made to Guarantor which would limit or qualify in any way the terms of this Guaranty; (B) this Guaranty is executed at Borrower's request and not at the request of Lender; (C) Guarantor has full power, right and authority to enter into this Guaranty; (D) the provisions of this Guaranty do not conflict with or result in a default under any agreement or other instrument binding upon Guarantor and do not result in a violation of any law, regulation, court decree or order applicable to Guarantor; (E) Guarantor has not and will not, without the prior written consent of Lender, sell, lease, assign, encumber, hypothecate, transfer, or otherwise dispose of all or substantially all of Guarantor's assets, or any interest therein; (F) upon Lender's request, Guarantor will provide to Lender financial and credit information in form acceptable to Lender, and all such financial information which currently has been, and all future financial information which will be provided to Lender is and will be true and correct in all material respects and fairly present Guarantor's financial condition as of the dates the financial information is provided; (G) no material adverse change has occurred in Guarantor's financial condition since the date of the most recent financial statements provided to Lender and no event has occurred which may materially adversely affect Guarantor's financial condition; (H) no litigation, claim, investigation, administrative proceeding or similar action (including those for unpaid taxes) against Guarantor is pending or threatened; (I) Lender has made no representation to Guarantor as to the creditworthiness of Borrower; and (J) Guarantor has established adequate means of obtaining from Borrower on a continuing basis information regarding Borrower's financial condition. Guarantor agrees to keep adequately informed from such means of any facts, events, or circumstances which might in any way affect Guarantor's risks under this Guaranty, and Guarantor further agrees that, absent a request for information, Lender shall have no obligation to disclose to Guarantor any information or documents acquired by Lender in the course of its relationship with Borrower.

GUARANTOR'S WAIVERS. Except as prohibited by applicable law, Guarantor waives any right to require Lender (A) to continue lending money or to extend other credit to Borrower; (B) to make any presentment, protest, demand, or notice of any kind, including notice of any nonpayment of the Indebtedness or of any nonpayment related to any collateral, or notice of any action or nonaction on the part of Borrower, Lender, any surety, endorser, or other guarantor in connection with the Indebtedness or in connection with the creation of new or additional loans or obligations; (C) to resort for payment or to proceed directly or at once against any person, including Borrower or any other guarantor; (D) to proceed directly against or exhaust any collateral held by Lender from Borrower, any other guarantor, or any other person; (E) to give notice of the terms, time, and place of any public or private sale of personal property security held by Lender from Borrower or to comply with any other applicable provisions of the Uniform Commercial Code; (F) to pursue any other remedy within Lender's power; or (G) to commit any act or omission of any kind, or at any time, with respect to any matter whatsoever.

Guarantor also waives any and all rights or defenses based on suretyship or impairment of collateral including, but not limited to, any rights or defenses arising by reason of (A) any "one action" or "anti-deficiency" law or any other law which may prevent Lender from bringing any action, including a claim for deficiency, against Guarantor, before or after Lender's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale; (B) any election of remedies by Lender which destroys or otherwise adversely affects Guarantor's subrogation rights or Guarantor's rights to proceed against Borrower for reimbursement, including without limitation, any loss of rights Guarantor may suffer by reason of any law limiting, qualifying, or discharging the Indebtedness; (C) any disability or other defense of Borrower, of any other guarantor, or of any other person, or by reason of the cessation of Borrower's liability from any cause whatsoever, other than payment in full in legal tender, of the Indebtedness; (D) any right to claim discharge of the Indebtedness on the basis of unjustified impairment of any collateral for the Indebtedness; (E) any statute of limitations, if at any time any action or suit brought by Lender against Guarantor is commenced, there is outstanding Indebtedness which is not barred by any applicable statute of limitations; or (F) any defenses given to guarantors at law or in equity other than actual payment and performance of the Indebtedness. If payment is made by Borrower, whether voluntarily or otherwise, or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, the Indebtedness shall be considered unpaid for the purpose of the enforcement of this Guaranty.

Guarantor further waives and agrees not to assert or claim at any time any deductions to the amount guaranteed under this Guaranty for any claim of setoff, counterclaim, counter demand, recoupment or similar right, whether such claim, demand or right may be asserted by the Borrower, the Guarantor, or both.

GUARANTOR'S UNDERSTANDING WITH RESPECT TO WAIVERS. Guarantor warrants and agrees that each of the waivers set forth above is made with Guarantor's full knowledge of its significance and consequences and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the extent permitted by law or public policy.

SUBORDINATION OF BORROWER'S DEBTS TO GUARANTOR. Guarantor agrees that the Indebtedness, whether now existing or hereafter created, shall be superior to any claim that Guarantor may now have or hereafter acquire against Borrower, whether or not Borrower becomes insolvent. Guarantor hereby expressly subordinates any claim Guarantor may have against Borrower, upon any account whatsoever, to any claim that Lender may now or hereafter have against Borrower. In the event of insolvency and consequent liquidation of the assets of Borrower, through bankruptcy, by an assignment for the benefit of creditors, by voluntary liquidation, or otherwise, the assets of Borrower applicable to the payment of the claims of both Lender and Guarantor shall be paid to Lender and shall be first applied by Lender to the Indebtedness. Guarantor does hereby assign to Lender all claims which it may have or acquire against Borrower or against any assignee or trustee in bankruptcy of Borrower; provided however, that such assignment shall be effective only for the purpose of assuring to Lender full payment in legal tender of the Indebtedness. If Lender so requests, any notes or credit agreements now or hereafter evidencing any debts or obligations of Borrower to Guarantor shall be marked with a legend that the same are subject to this Guaranty and shall be delivered to Lender. Guarantor agrees, and Lender is hereby authorized, in the name of Guarantor, from time to time to file financing statements and continuation statements and to execute documents and to take such other actions as Lender deems necessary or appropriate to perfect, preserve and enforce its rights under this Guaranty.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Guaranty:

Amendments. This Guaranty, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Guaranty. No alteration of or amendment to this Guaranty shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Guarantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Guaranty. Lender may hire or pay someone else to help enforce this Guaranty, and Guarantor shall pay the costs and expenses of such enforcement. Costs and expenses

include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Guarantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Guaranty are for convenience purposes only and are not to be used to interpret or define the provisions of this Guaranty.

Governing Law. This Guaranty will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Wyoming without regard to its conflicts of law provisions.

Integration. Guarantor further agrees that Guarantor has read and fully understands the terms of this Guaranty; Guarantor has had the opportunity to be advised by Guarantor's attorney with respect to this Guaranty; the Guaranty fully reflects Guarantor's intentions and parol evidence is not required to interpret the terms of this Guaranty. Guarantor hereby indemnifies and holds Lender harmless from all losses, claims, damages, and costs (including Lender's attorneys' fees) suffered or incurred by Lender as a result of any breach by Guarantor of the warranties, representations and agreements of this paragraph.

Interpretation. In all cases where there is more than one Borrower or Guarantor, then all words used in this Guaranty in the singular shall be deemed to have been used in the plural where the context and construction so require; and where there is more than one Borrower named in this Guaranty or when this Guaranty is executed by more than one Guarantor, the words "Borrower" and "Guarantor" respectively shall mean all and any one or more of them. The words "Guarantor," "Borrower," and "Lender" include the heirs, successors, assigns, and transferees of each of them. If a court finds that any provision of this Guaranty is not valid or should not be enforced, that fact by itself will not mean that the rest of this Guaranty will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Guaranty even if a provision of this Guaranty may be found to be invalid or unenforceable. If any one or more of Borrower or Guarantor are corporations, partnerships, limited liability companies, or similar entities, it is not necessary for Lender to inquire into the powers of Borrower or Guarantor or of the officers, directors, partners, managers, or other agents acting or purporting to act on their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed under this Guaranty.

Notices. Any notice required to be given under this Guaranty shall be given in writing, and, except for revocation notices by Guarantor, shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Guaranty. All revocation notices by Guarantor shall be in writing and shall be effective upon delivery to Lender as provided in the section of this Guaranty entitled "DURATION OF GUARANTY." Any party may change its address for notices under this Guaranty by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Guarantor agrees to keep Lender informed at all times of Guarantor's current address. Unless otherwise provided or required by law, if there is more than one Guarantor, any notice given by Lender to any Guarantor is deemed to be notice given to all Guarantors.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Guaranty unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Guaranty shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Guaranty. No prior waiver by Lender, nor any course of dealing between Lender and Guarantor, shall constitute a waiver of any of Lender's rights or of any of Guarantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Guaranty, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Successors and Assigns. Subject to any limitations stated in this Guaranty on transfer of Guarantor's interest, this Guaranty shall be binding upon and inure to the benefit of the parties, their successors and assigns.

Further Assurances. The parties hereto agree to do all things deemed necessary by Lender in order to fully document the loan evidenced by this Note and any related agreements, and will fully cooperate concerning the execution and delivery of security agreements, stock powers, instructions and/or other documents pertaining to any collateral intended to secure the indebtedness. The undersigned agree to assist in the cure of any defects in the execution, delivery or substance of the Note and related agreements, and in the creation and perfection of any liens, security interests or other collateral rights securing the Note. Borrower further agrees to pay Lender immediately upon demand the full amount of all charges, costs and expenses (to include fees paid to third parties) expended or incurred by Lender to monitor Lender's interest in any real property pledged as collateral for this Note, including without limitation all costs of appraisals.

Consent to Sell Loan. The parties hereto agree: (a) Lender may sell or transfer all or part of this loan to one or more purchasers, whether related or unrelated to Lender; (b) Lender may provide to any purchaser, or potential purchaser, any information or knowledge Lender may have about the parties or about any other matter relating to this loan obligation, and the parties waive any rights to privacy it may have with respect to such matters; (c) the purchaser of a loan will be considered its absolute owner and will have all the rights granted under the loan documents or agreements governing the sale of the loan; and (d) the purchaser of a loan may enforce its interests irrespective of any claims or defenses that the parties may have against Lender.

Security Interest and Right of Setoff (Guarantor). In addition to all liens upon and rights of setoff arising by law, Guarantor pledges and grants to Lender as security for Guarantor's obligations to Lender (excluding any consumer obligations subject to the Federal Truth in Lending Act), a security interest and lien upon all monies, securities, securities accounts, brokerage accounts, deposit accounts and other property of Guarantor now or hereafter in the possession of or on deposit with Lender or any Wells Fargo Affiliate, whether held in a general or special account or deposit or for safekeeping or otherwise, excluding however all IRA and Keogh accounts. No security interest, lien or right of setoff will be deemed to have been waived by any act or conduct on the part of Lender, or by any neglect to exercise such right, or by any delay in so doing, and every right of setoff, lien and security interest will continue in full force and effect until specifically waived or released by Lender in writing.

Facsimile and Counterpart. This document may be signed in any number of separate copies, each of which shall be effective as an original, but all of which taken together shall constitute a single document. An electronic transmission or other facsimile of this document or any related document shall be deemed an original and shall be admissible as evidence of the document and the signer's execution.

Arbitration Agreement - Binding Arbitration. Lender and each party to this agreement hereby agree, upon demand by any party, to submit any Dispute to binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any dispute, claim or controversy of any kind, whether in contract or in tort, legal or equitable, now existing or hereafter arising, relating in any way to any aspect of this agreement, or any related agreement incorporating this Arbitration Program (the "Documents"), or any renewal, extension, modification or refinancing of any indebtedness or obligation relating thereto, including without limitation, their negotiation,

execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination. DISPUTES SUBMITTED TO ARBITRATION ARE NOT RESOLVED IN COURT BY A JUDGE OR JURY. TO THE EXTENT ALLOWED BY APPLICABLE LAW, THE PARTIES IRREVOCABLY AND VOLUNTARILY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY DISPUTE ARBITRATED PURSUANT TO THIS ARBITRATION PROGRAM.

A. Governing Rules. Any arbitration proceeding will (i) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (ii) be conducted by the American Arbitration Association ("AAA"), or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least \$1,000,000.00 exclusive of claimed interest, arbitration fees and costs, in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes are referred to herein, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Arbitration proceedings hereunder shall be conducted at a location mutually agreeable to the parties, or if they cannot agree, then at a location selected by the AAA in the state of the applicable substantive law primarily governing the Note. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any Dispute. Arbitration may be demanded at any time, and may be compelled by summary proceedings in Court. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief. The arbitrator shall award all costs and expenses of the arbitration proceeding. Nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or any similar applicable state law.

B. No Waiver of Provisional Remedies, Self-Help and Foreclosure. The arbitration requirement does not limit the right of any party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any Dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

C. Arbitrator Qualifications and Powers. Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any Dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations. Every arbitrator must be a neutral practicing attorney or a retired member of the state or federal judiciary, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the Dispute. The arbitrator will determine whether or not an issue is arbitratable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all Disputes in accordance with the applicable substantive law and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the applicable state rules of civil procedure, or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

D. Discovery. In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the Dispute being arbitrated and must be completed no later than 20 days before the hearing date. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

E. Class Proceedings and Consolidations. No party shall be entitled to join or consolidate disputes by or against others who are not parties to this agreement or related Documents in any arbitration, or to include in any arbitration any dispute as a representative or member of a class, or to act in any arbitration in the interest of the general public or in a private attorney general capacity.

F. Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the Dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a Dispute, the arbitration provision most directly related to the documents between the parties or the subject matter of the Dispute shall control. This arbitration provision shall survive the repayment of the Note and the termination, amendment or expiration of any of the Documents or any relationship between the parties.

G. Real Property Collateral. Notwithstanding anything herein to the contrary, no Dispute shall be submitted to arbitration if the Dispute concerns indebtedness secured directly or indirectly, in whole or in part, by any real property and the Dispute is governed by the laws of California, Idaho, Montana, Nevada, South Dakota or Utah, unless any conditions for arbitration that may be set forth in the mortgage or deed of trust are satisfied; if any such Disputes are not referred to arbitration, then any provision in such mortgage or deed of trust providing for referral of Disputes to a referee or master under the laws of California or Utah shall be applicable to such Disputes.

H. State Specific Provisions.

If Delaware or Pennsylvania law governs the Dispute, the following provision is included:
Confession of Judgment. Notwithstanding anything herein to the contrary, the arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, or (ii) challenge the waiver of a right to prior disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

If Virginia law governs the Dispute, the following provision is included:

Confession of Judgment. The arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

COMMUNITY PROPERTY. In addition to the rights of Lender under any applicable community property laws, any Guarantor who has an interest in community property under applicable law acknowledges and agrees that his/her obligation as guarantor is incurred in the interest of and to benefit the marital community (or domestic partnership, if applicable), and expressly agrees that recourse may be had against his or her separate property and his or her rights in community property and community assets for all of his or her obligations to Lender, in addition to any other property that may be subject to rights of Lender.

Supplement to Definition of Indebtedness. The definition of "Indebtedness" herein includes, without limitation, all liability of Borrower, whether liquidated or unliquidated, defined, contingent, conditional or of any other nature whatsoever, and performance of all other obligations, arising under any swap, derivative, foreign exchange or hedge transaction or arrangement (or other similar transaction or arrangement howsoever described or defined) at any time entered into with Lender in connection with or relating to any promissory note, agreement or other document evidencing any portion of the indebtedness.

CONTINUING GUARANTEE OF PAYMENT AND PERFORMANCE. For good and valuable consideration, Guarantor absolutely and unconditionally guarantees full and punctual payment and satisfaction of the indebtedness of Borrower to Lender, and the performance and discharge of all Borrower's obligations under the Note and the Related Documents. This is a guaranty of payment and performance and not of collection, so Lender can enforce this Guaranty against Guarantor even when Lender has not exhausted Lender's remedies against anyone else obligated to pay the indebtedness or against any collateral securing the indebtedness, this Guaranty or any other guaranty of the indebtedness. Guarantor will make any payments to Lender or its order, on demand, in legal tender of the United States of America, in same-day funds, without set-off or deduction or counterclaim, and will otherwise perform Borrower's obligations under the Note and Related Documents. Under this Guaranty, Guarantor's liability is unlimited and Guarantor's obligations are continuing.

INDEBTEDNESS. The word "Indebtedness" as used in this Guaranty means all of the principal amount outstanding from time to time and at any one or more times, accrued unpaid interest thereon and all collection costs and legal expenses related thereto permitted by law, reasonable attorneys' fees, arising from any and all debts, liabilities and obligations of every nature or form, now existing or hereafter arising or acquired, that Borrower individually or collectively or interchangeably with others, owes or will owe Lender. "Indebtedness" includes, without limitation, loans, advances, debts, overdraft indebtedness, credit card indebtedness, lease obligations, liabilities and obligations under any interest rate protection agreements or foreign currency exchange agreements or commodity price protection agreements, other obligations, and liabilities of Borrower, and any present or future judgments against Borrower, future advances, loans or transactions that renew, extend, modify, refinance, consolidate or substitute these debts, liabilities and obligations whether: voluntarily or involuntarily incurred; due or to become due by their terms or acceleration; absolute or contingent; liquidated or unliquidated; determined or undetermined; direct or indirect; primary or secondary in nature or arising from a guaranty or surety; secured or unsecured; joint or several or joint and several; evidenced by a negotiable or non-negotiable instrument or writing; originated by Lender or another or others; barred or unenforceable against Borrower for any reason whatsoever; for any transactions that may be voidable for any reason (such as infancy, insanity, ultra vires or otherwise); and originated then reduced or extinguished and then afterwards increased or reinstated.

If Lender presently holds one or more guaranties, or hereafter receives additional guaranties from Guarantor, Lender's rights under all guaranties shall be cumulative. This Guaranty shall not (unless specifically provided below to the contrary) affect or invalidate any such other guaranties. Guarantor's liability will be Guarantor's aggregate liability under the terms of this Guaranty and any such other unexpired guaranties.

CONTINUING GUARANTY. THIS IS A "CONTINUING GUARANTY" UNDER WHICH GUARANTOR AGREES TO GUARANTEE THE FULL AND PUNCTUAL PAYMENT, PERFORMANCE AND SATISFACTION OF THE INDEBTEDNESS OF BORROWER TO LENDER, NOW EXISTING OR HEREAFTER ARISING OR ACQUIRED, ON AN OPEN AND CONTINUING BASIS. ACCORDINGLY, ANY PAYMENTS MADE ON THE INDEBTEDNESS WILL NOT DISCHARGE OR DIMINISH GUARANTOR'S OBLIGATIONS AND LIABILITY UNDER THIS GUARANTY FOR ANY REMAINING AND SUCCEEDING INDEBTEDNESS EVEN WHEN ALL OR PART OF THE OUTSTANDING INDEBTEDNESS MAY BE A ZERO BALANCE FROM TIME TO TIME.

DURATION OF GUARANTY. This Guaranty will take effect when received by Lender without the necessity of any acceptance by Lender, or any notice to Guarantor or to Borrower, and will continue in full force until all the indebtedness incurred or contracted before receipt by Lender of any notice of revocation shall have been fully and finally paid and satisfied and all of Guarantor's other obligations under this Guaranty shall have been performed in full. If Guarantor elects to revoke this Guaranty, Guarantor may only do so in writing. Guarantor's written notice of revocation must be mailed to Lender, by certified mail, at Lender's address listed above or such other place as Lender may designate in writing. Written revocation of this Guaranty will apply only to new indebtedness created after actual receipt by Lender of Guarantor's written revocation. For this purpose and without limitation, the term "new indebtedness" does not include the indebtedness which at the time of notice of revocation is contingent, unliquidated, undetermined or not due and which later becomes absolute, liquidated, determined or due. For this purpose and without limitation, "new indebtedness" does not include all or part of the indebtedness that is: incurred by Borrower prior to revocation; incurred under a commitment that became binding before revocation; any renewals, extensions, substitutions, and modifications of the indebtedness. This Guaranty shall bind Guarantor's estate as to the indebtedness created both before and after Guarantor's death or incapacity, regardless of Lender's actual notice of Guarantor's death. Subject to the foregoing, Guarantor's executor or administrator or other legal representative may terminate this Guaranty in the same manner in which Guarantor might have terminated it and with the same effect. Release of any other guarantor or termination of any other guaranty of the indebtedness shall not affect the liability of Guarantor under this Guaranty. A revocation Lender receives from any one or more Guarantors shall not affect the liability of any remaining Guarantors under this Guaranty. It is anticipated that fluctuations may occur in the aggregate amount of the indebtedness covered by this Guaranty, and Guarantor specifically acknowledges and agrees that reductions in the amount of the indebtedness, even to zero dollars (\$0.00), shall not constitute a termination of this Guaranty. This Guaranty is binding upon Guarantor and Guarantor's heirs, successors and assigns so long as any of the indebtedness remains unpaid and even though the indebtedness may from time to time be zero dollars (\$0.00).

GUARANTOR'S AUTHORIZATION TO LENDER. Guarantor authorizes Lender, either before or after any revocation hereof, without notice or demand and without lessening Guarantor's liability under this Guaranty, from time to time: (A) prior to revocation as set forth above, to make one or more additional secured or unsecured loans to Borrower, to lease equipment or other goods to Borrower, or otherwise to extend additional credit to Borrower; (B) to alter, compromise, renew, extend, accelerate, or otherwise change one or more times the time for payment or other terms of the indebtedness or any part of the indebtedness, including increases and decreases of the rate of interest on the

indebtedness; extensions may be repeated and may be for longer than the original loan term; (C) to take and hold security for the payment of this Guaranty or the indebtedness, and exchange, enforce, waive, subordinate, fail or decide not to perfect, and release any such security, with or without the substitution of new collateral; (D) to release, substitute, agree not to sue, or deal with any one or more of Borrower's sureties, endorsers, or other guarantors on any terms or in any manner Lender may choose; (E) to determine how, when and what application of payments and credits shall be made on the indebtedness; (F) to apply such security and direct the order or manner of sale thereof, including without limitation, any nonjudicial sale permitted by the terms of the controlling security agreement or deed of trust, as Lender in its discretion may determine; (G) to sell, transfer, assign or grant participations in all or any part of the indebtedness; and (H) to assign or transfer this Guaranty in whole or in part.

GUARANTOR'S REPRESENTATIONS AND WARRANTIES. Guarantor represents and warrants to Lender that (A) no representations or agreements of any kind have been made to Guarantor which would limit or qualify in any way the terms of this Guaranty; (B) this Guaranty is executed at Borrower's request and not at the request of Lender; (C) Guarantor has full power, right and authority to enter into this Guaranty; (D) the provisions of this Guaranty do not conflict with or result in a default under any agreement or other instrument binding upon Guarantor and do not result in a violation of any law, regulation, court decree or order applicable to Guarantor; (E) Guarantor has not and will not, without the prior written consent of Lender, sell, lease, assign, encumber, hypothecate, transfer, or otherwise dispose of all or substantially all of Guarantor's assets, or any interest therein; (F) upon Lender's request, Guarantor will provide to Lender financial and credit information in form acceptable to Lender, and all such financial information which currently has been, and all future financial information which will be provided to Lender is and will be true and correct in all material respects and fairly present Guarantor's financial condition as of the dates the financial information is provided; (G) no material adverse change has occurred in Guarantor's financial condition since the date of the most recent financial statements provided to Lender and no event has occurred which may materially adversely affect Guarantor's financial condition; (H) no litigation, claim, investigation, administrative proceeding or similar action (including those for unpaid taxes) against Guarantor is pending or threatened; (I) Lender has made no representation to Guarantor as to the creditworthiness of Borrower; and (J) Guarantor has established adequate means of obtaining from Borrower on a continuing basis information regarding Borrower's financial condition. Guarantor agrees to keep adequately informed from such means of any facts, events, or circumstances which might in any way affect Guarantor's risks under this Guaranty, and Guarantor further agrees that, absent a request for information, Lender shall have no obligation to disclose to Guarantor any information or documents acquired by Lender in the course of its relationship with Borrower.

GUARANTOR'S WAIVERS. Except as prohibited by applicable law, Guarantor waives any right to require Lender (A) to continue lending money or to extend other credit to Borrower; (B) to make any presentment, protest, demand, or notice of any kind, including notice of any nonpayment of the indebtedness or of any nonpayment related to any collateral, or notice of any action or nonaction on the part of Borrower, Lender, any surety, endorser, or other guarantor in connection with the indebtedness or in connection with the creation of new or additional loans or obligations; (C) to resort for payment or to proceed directly or at once against any person, including Borrower or any other guarantor; (D) to proceed directly against or exhaust any collateral held by Lender from Borrower, any other guarantor, or any other person; (E) to give notice of the terms, time, and place of any public or private sale of personal property security held by Lender from Borrower or to comply with any other applicable provisions of the Uniform Commercial Code; (F) to pursue any other remedy within Lender's power; or (G) to commit any act or omission of any kind, or at any time, with respect to any matter whatsoever.

Guarantor also waives any and all rights or defenses based on suretyship or impairment of collateral including, but not limited to, any rights or defenses arising by reason of (A) any "one action" or "anti-deficiency" law or any other law which may prevent Lender from bringing any action, including a claim for deficiency, against Guarantor, before or after Lender's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale; (B) any election of remedies by Lender which destroys or otherwise adversely affects Guarantor's subrogation rights or Guarantor's rights to proceed against Borrower for reimbursement, including without limitation, any loss of rights Guarantor may suffer by reason of any law limiting, qualifying, or discharging the indebtedness; (C) any disability or other defense of Borrower, of any other guarantor, or of any other person, or by reason of the cessation of Borrower's liability from any cause whatsoever, other than payment in full in legal tender, of the indebtedness; (D) any right to claim discharge of the indebtedness on the basis of unjustified impairment of any collateral for the indebtedness; (E) any statute of limitations, if at any time any action or suit brought by Lender against Guarantor is commenced, there is outstanding indebtedness which is not barred by any applicable statute of limitations; or (F) any defenses given to guarantors at law or in equity other than actual payment and performance of the indebtedness. If payment is made by Borrower, whether voluntarily or otherwise, or by any third party, on the indebtedness and thereafter Lender is forced to remit the amount of that payment to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, the indebtedness shall be considered unpaid for the purpose of the enforcement of this Guaranty.

Guarantor further waives and agrees not to assert or claim at any time any deductions to the amount guaranteed under this Guaranty for any claim of setoff, counterclaim, counter demand, recoupment or similar right, whether such claim, demand or right may be asserted by the Borrower, the Guarantor, or both.

GUARANTOR'S UNDERSTANDING WITH RESPECT TO WAIVERS. Guarantor warrants and agrees that each of the waivers set forth above is made with Guarantor's full knowledge of its significance and consequences and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the extent permitted by law or public policy.

SUBORDINATION OF BORROWER'S DEBTS TO GUARANTOR. Guarantor agrees that the indebtedness, whether now existing or hereafter created, shall be superior to any claim that Guarantor may now have or hereafter acquire against Borrower, whether or not Borrower becomes insolvent. Guarantor hereby expressly subordinates any claim Guarantor may have against Borrower, upon any account whatsoever, to any claim that Lender may now or hereafter have against Borrower. In the event of insolvency and consequent liquidation of the assets of Borrower, through bankruptcy, by an assignment for the benefit of creditors, by voluntary liquidation, or otherwise, the assets of Borrower applicable to the payment of the claims of both Lender and Guarantor shall be paid to Lender and shall be first applied by Lender to the indebtedness. Guarantor does hereby assign to Lender all claims which it may have or acquire against Borrower or against any assignee or trustee in bankruptcy of Borrower; provided however, that such assignment shall be effective only for the purpose of assuring to Lender full payment in legal tender of the indebtedness. If Lender so requests, any notes or credit agreements now or hereafter evidencing any debts or obligations of Borrower to Guarantor shall be marked with a legend that the same are subject to this Guaranty and shall be delivered to Lender. Guarantor agrees, and Lender is hereby authorized, in the name of Guarantor, from time to time to file financing statements and continuation statements and to execute documents and to take such other actions as Lender deems necessary or appropriate to perfect, preserve and enforce its rights under this Guaranty.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Guaranty:

Amendments. This Guaranty, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Guaranty. No alteration of or amendment to this Guaranty shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Guarantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Guaranty. Lender may hire or pay

COMMERCIAL GUARANTY (Continued)

someone else to help enforce this Guaranty, and Guarantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Guarantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Guaranty are for convenience purposes only and are not to be used to interpret or define the provisions of this Guaranty.

Governing Law. This Guaranty will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Wyoming without regard to its conflicts of law provisions.

Integration. Guarantor further agrees that Guarantor has read and fully understands the terms of this Guaranty; Guarantor has had the opportunity to be advised by Guarantor's attorney with respect to this Guaranty; the Guaranty fully reflects Guarantor's intentions and parol evidence is not required to interpret the terms of this Guaranty. Guarantor hereby indemnifies and holds Lender harmless from all losses, claims, damages, and costs (including Lender's attorneys' fees) suffered or incurred by Lender as a result of any breach by Guarantor of the warranties, representations and agreements of this paragraph.

Interpretation. In all cases where there is more than one Borrower or Guarantor, then all words used in this Guaranty in the singular shall be deemed to have been used in the plural where the context and construction so require; and where there is more than one Borrower named in this Guaranty or when this Guaranty is executed by more than one Guarantor, the words "Borrower" and "Guarantor" respectively shall mean all and any one or more of them. The words "Guarantor," "Borrower," and "Lender" include the heirs, successors, assigns, and transferees of each of them. If a court finds that any provision of this Guaranty is not valid or should not be enforced, that fact by itself will not mean that the rest of this Guaranty will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Guaranty even if a provision of this Guaranty may be found to be invalid or unenforceable. If any one or more of Borrower or Guarantor are corporations, partnerships, limited liability companies, or similar entities, it is not necessary for Lender to inquire into the powers of Borrower or Guarantor or of the officers, directors, partners, managers, or other agents acting or purporting to act on their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed under this Guaranty.

Notices. Any notice required to be given under this Guaranty shall be given in writing, and, except for revocation notices by Guarantor, shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Guaranty. All revocation notices by Guarantor shall be in writing and shall be effective upon delivery to Lender as provided in the section of this Guaranty entitled "DURATION OF GUARANTY." Any party may change its address for notices under this Guaranty by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Guarantor agrees to keep Lender informed at all times of Guarantor's current address. Unless otherwise provided or required by law, if there is more than one Guarantor, any notice given by Lender to any Guarantor is deemed to be notice given to all Guarantors.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Guaranty unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Guaranty shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Guaranty. No prior waiver by Lender, nor any course of dealing between Lender and Guarantor, shall constitute a waiver of any of Lender's rights or of any of Guarantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Guaranty, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Successors and Assigns. Subject to any limitations stated in this Guaranty on transfer of Guarantor's interest, this Guaranty shall be binding upon and inure to the benefit of the parties, their successors and assigns.

Further Assurances. The parties hereto agree to do all things deemed necessary by Lender in order to fully document the loan evidenced by this Note and any related agreements, and will fully cooperate concerning the execution and delivery of security agreements, stock powers, instructions and/or other documents pertaining to any collateral intended to secure the indebtedness. The undersigned agree to assist in the cure of any defects in the execution, delivery or substance of the Note and related agreements, and in the creation and perfection of any liens, security interests or other collateral rights securing the Note. Borrower further agrees to pay Lender immediately upon demand the full amount of all charges, costs and expenses (to include fees paid to third parties) expended or incurred by Lender to monitor Lender's interest in any real property pledged as collateral for this Note, including without limitation all costs of appraisals.

Consent to Sell Loan. The parties hereto agree: (a) Lender may sell or transfer all or part of this loan to one or more purchasers, whether related or unrelated to Lender; (b) Lender may provide to any purchaser, or potential purchaser, any information or knowledge Lender may have about the parties or about any other matter relating to this loan obligation, and the parties waive any rights to privacy it may have with respect to such matters; (c) the purchaser of a loan will be considered its absolute owner and will have all the rights granted under the loan documents or agreements governing the sale of the loan; and (d) the purchaser of a loan may enforce its interests irrespective of any claims or defenses that the parties may have against Lender.

Security Interest and Right of Setoff (Guarantor). In addition to all liens upon and rights of setoff arising by law, Guarantor pledges and grants to Lender as security for Guarantor's obligations to Lender (excluding any consumer obligations subject to the Federal Truth in Lending Act), a security interest and lien upon all monies, securities, securities accounts, brokerage accounts, deposit accounts and other property of Guarantor now or hereafter in the possession of or on deposit with Lender or any Wells Fargo Affiliate, whether held in a general or special account or deposit or for safekeeping or otherwise, excluding however all IRA and Keogh accounts. No security interest, right, or by any delay in so doing, and every right of setoff, lien and security interest will continue in full force and effect until specifically waived or released by Lender in writing.

Facsimile and Counterpart. This document may be signed in any number of separate copies, each of which shall be effective as an original, but all of which taken together shall constitute a single document. An electronic transmission or other facsimile of this document or any related document shall be deemed an original and shall be admissible as evidence of the document and the signer's execution.

Arbitration Agreement. Arbitration - Binding Arbitration. Lender and each party to this agreement hereby agree, upon demand by any party, to submit any Dispute to binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any dispute, claim or controversy of any kind, whether in contract or in tort, legal or equitable, now existing or hereafter arising, relating in any way to any aspect of this agreement, or any related agreement incorporating this Arbitration Program (the "Documents"), or any renewal,

extension, modification or refinancing of any indebtedness or obligation relating thereto, including without limitation, their negotiation, execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination. DISPUTES SUBMITTED TO ARBITRATION ARE NOT RESOLVED IN COURT BY A JUDGE OR JURY. TO THE EXTENT ALLOWED BY APPLICABLE LAW, THE PARTIES IRREVOCABLY AND VOLUNTARILY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY DISPUTE ARBITRATED PURSUANT TO THIS ARBITRATION PROGRAM.

A. Governing Rules. Any arbitration proceeding will (i) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (ii) be conducted by the American Arbitration Association ("AAA"), or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least \$1,000,000.00 exclusive of claimed interest, arbitration fees and costs, in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes are referred to herein, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Arbitration proceedings hereunder shall be conducted at a location mutually agreeable to the parties, or if they cannot agree, then at a location selected by the AAA in the state of the applicable substantive law primarily governing the Note. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any Dispute. Arbitration may be demanded at any time, and may be compelled by summary proceedings in Court. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief. The arbitrator shall award all costs and expenses of the arbitration proceeding. Nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or any similar applicable state law.

B. No Waiver of Provisional Remedies, Self-Help and Foreclosure. The arbitration requirement does not limit the right of any party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any Dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

C. Arbitrator Qualifications and Powers. Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any Dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations. Every arbitrator must be a neutral practicing attorney or a retired member of the state or federal judiciary, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the Dispute. The arbitrator will determine whether or not an issue is arbitrable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all Disputes in accordance with the applicable substantive law and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the applicable state rules of civil procedure, or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

D. Discovery. In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the Dispute being arbitrated and must be completed no later than 20 days before the hearing date. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

E. Class Proceedings and Consolidations. No party shall be entitled to join or consolidate disputes by or against others who are not parties to this agreement or related Documents in any arbitration, or to include in any arbitration any dispute as a representative or member of a class, or to act in any arbitration in the interest of the general public or in a private attorney general capacity.

F. Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the Dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a Dispute, the arbitration provision most directly related to the documents between the parties or the subject matter of the Dispute shall control. This arbitration provision shall survive the repayment of the Note and the termination, amendment or expiration of any of the Documents or any relationship between the parties.

G. Real Property Collateral. Notwithstanding anything herein to the contrary, no Dispute shall be submitted to arbitration if the Dispute concerns indebtedness secured directly or indirectly, in whole or in part, by any real property and the Dispute is governed by the laws of California, Idaho, Montana, Nevada, South Dakota or Utah, unless any conditions for arbitration that may be set forth in the mortgage or deed of trust are satisfied; if any such Disputes are not referred to arbitration, then any provision in such mortgage or deed of trust providing for referral of Disputes to a referee or master under the laws of California or Utah shall be applicable to such Disputes.

H. State Specific Provisions.

If Delaware or Pennsylvania law governs the Dispute, the following provision is included:

Confession of Judgment. Notwithstanding anything herein to the contrary, the arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, or (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

If Virginia law governs the Dispute, the following provision is included:

Confession of Judgment. The arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

COMMUNITY PROPERTY. In addition to the rights of Lender under any applicable community property laws, any Guarantor who has an interest in community property under applicable law acknowledges and agrees that his/her obligation as guarantor is incurred in the interest of and to benefit the marital community (or domestic partnership, if applicable), and expressly agrees that recourse may be had against his or her separate property and his or her rights in community property and community assets for all of his or her obligations to Lender, in addition to any other property that may be subject to rights of Lender.

Supplement to Definition of Indebtedness. The definition of "indebtedness" herein includes, without limitation, all liability of Borrower, whether liquidated or unliquidated, defined, contingent, conditional or of any other nature whatsoever, and performance of all other obligations, arising under any swap, derivative, foreign exchange or hedge transaction or arrangement (or other similar transaction or arrangement howsoever described or defined) at any time entered into with Lender in connection with or relating to any promissory note, agreement or other document evidencing any portion of the indebtedness.

CONTINUING GUARANTEE OF PAYMENT AND PERFORMANCE. For good and valuable consideration, Guarantor absolutely and unconditionally guarantees full and punctual payment and satisfaction of the indebtedness of Borrower to Lender, and the performance and discharge of all Borrower's obligations under the Note and the Related Documents. This is a guaranty of payment and performance and not of collection, so Lender can enforce this Guaranty against Guarantor even when Lender has not exhausted Lender's remedies against anyone else obligated to pay the indebtedness or against any collateral securing the indebtedness, this Guaranty or any other guaranty of the indebtedness. Guarantor will make any payments to Lender or its order, on demand, in legal tender of the United States of America, in same-day funds, without set-off or deduction or counterclaim, and will otherwise perform Borrower's obligations under the Note and Related Documents. Under this Guaranty, Guarantor's liability is unlimited and Guarantor's obligations are continuing.

INDEBTEDNESS. The word "indebtedness" as used in this Guaranty means all of the principal amount outstanding from time to time and at any one or more times, accrued unpaid interest thereon and all collection costs and legal expenses related thereto permitted by law, reasonable attorneys' fees, arising from any and all debts, liabilities and obligations of every nature or form, now existing or hereafter arising or acquired, that Borrower individually or collectively or interchangeably with others, owes or will owe Lender. "indebtedness" includes, without limitation, loans, advances, debts, overdraft indebtedness, credit card indebtedness, lease obligations, liabilities and obligations under any interest rate protection agreements or foreign currency exchange agreements or commodity price protection agreements, other obligations; and liabilities of Borrower, and any present or future judgments against Borrower, future advances, loans or transactions that renew, extend, modify, refinance, consolidate or substitute these debts, liabilities and obligations whether: voluntarily or involuntarily incurred; due or to become due by their terms or acceleration; absolute or contingent; liquidated or unliquidated; determined or undetermined; direct or indirect; primary or secondary in nature or arising from a guaranty or surety; secured or unsecured; joint or several or joint and several; evidenced by a negotiable or non-negotiable instrument or writing; originated by Lender or another or others; barred or unenforceable against Borrower for any reason whatsoever; for any transactions that may be voidable for any reason (such as infancy, insanity, ultra vires or otherwise); and originated then reduced or extinguished and then afterwards increased or reinstated.

If Lender presently holds one or more guaranties, or hereafter receives additional guaranties from Guarantor, Lender's rights under all guaranties shall be cumulative. This Guaranty shall not (unless specifically provided below to the contrary) affect or invalidate any such other guaranties. Guarantor's liability will be Guarantor's aggregate liability under the terms of this Guaranty and any such other untermiated guaranties.

CONTINUING GUARANTY. THIS IS A "CONTINUING GUARANTY" UNDER WHICH GUARANTOR AGREES TO GUARANTEE THE FULL AND PUNCTUAL PAYMENT, PERFORMANCE AND SATISFACTION OF THE INDEBTEDNESS OF BORROWER TO LENDER, NOW EXISTING OR HEREAFTER ARISING OR ACQUIRED, ON AN OPEN AND CONTINUING BASIS. ACCORDINGLY, ANY PAYMENTS MADE ON THE INDEBTEDNESS WILL NOT DISCHARGE OR DIMINISH GUARANTOR'S OBLIGATIONS AND LIABILITY UNDER THIS GUARANTY FOR ANY REMAINING AND SUCCEEDING INDEBTEDNESS EVEN WHEN ALL OR PART OF THE OUTSTANDING INDEBTEDNESS MAY BE A ZERO BALANCE FROM TIME TO TIME.

DURATION OF GUARANTY. This Guaranty will take effect when received by Lender without the necessity of any acceptance by Lender, or any notice to Guarantor or to Borrower, and will continue in full force until all the indebtedness incurred or contracted before receipt by Lender of any notice of revocation shall have been fully and finally paid and satisfied and all of Guarantor's other obligations under this Guaranty shall have been performed in full. If Guarantor elects to revoke this Guaranty, Guarantor may only do so in writing. Guarantor's written notice of revocation must be mailed to Lender, by certified mail, at Lender's address listed above or such other place as Lender may designate in writing. Written revocation of this Guaranty will apply only to new indebtedness created after actual receipt by Lender of Guarantor's written revocation. For this purpose and without limitation, the term "new indebtedness" does not include the indebtedness which at the time of notice of revocation is contingent, unliquidated, undetermined or not due and which later becomes absolute, liquidated, determined or due. For this purpose and without limitation, "new indebtedness" does not include all or part of the indebtedness that is: incurred by Borrower prior to revocation; incurred under a commitment that became binding before revocation; any renewals, extensions, substitutions, and modifications of the indebtedness. This Guaranty shall bind Guarantor's estate as to the indebtedness created both before and after Guarantor's death or incapacity, regardless of Lender's actual notice of Guarantor's death. Subject to the foregoing, Guarantor's executor or administrator or other legal representative may terminate this Guaranty in the same manner in which Guarantor might have terminated it and with the same effect. Release of any other guarantor or termination of any other guaranty of the indebtedness shall not affect the liability of Guarantor under this Guaranty. A revocation Lender receives from any one or more Guarantors shall not affect the liability of any remaining Guarantors under this Guaranty. It is anticipated that fluctuations may occur in the aggregate amount of the indebtedness covered by this Guaranty, and Guarantor specifically acknowledges and agrees that reductions in the amount of the indebtedness, even to zero dollars (\$0.00), shall not constitute a termination of this Guaranty. This Guaranty is binding upon Guarantor and Guarantor's heirs, successors and assigns so long as any of the indebtedness remains unpaid and even though the indebtedness may from time to time be zero dollars (\$0.00).

GUARANTOR'S AUTHORIZATION TO LENDER. Guarantor authorizes Lender, either before or after any revocation hereof, without notice or demand and without lessening Guarantor's liability under this Guaranty, from time to time: (A) prior to revocation as set forth above, to make one or more additional secured or unsecured loans to Borrower, to lease equipment or other goods to Borrower, or otherwise to extend additional credit to Borrower; (B) to alter, compromise, renew, extend, accelerate, or otherwise change one or more times the time for payment or other terms of the indebtedness or any part of the indebtedness, including increases and decreases of the rate of interest on the

indebtedness; extensions may be repeated and may be for longer than the original loan term; (C) to take and hold security for the payment of this Guaranty or the indebtedness, and exchange, enforce, waive, subordinate, fail or decide not to perfect, and release any such security, with or without the substitution of new collateral; (D) to release, substitute, agree not to sue, or deal with any one or more of Borrower's sureties, endorsers, or other guarantors on any terms or in any manner Lender may choose; (E) to determine how, when and what application of payments and credits shall be made on the indebtedness; (F) to apply such security and direct the order or manner of sale thereof, including without limitation, any nonjudicial sale permitted by the terms of the controlling security agreement or deed of trust, as Lender in its discretion may determine; (G) to sell, transfer, assign or grant participations in all or any part of the indebtedness; and (H) to assign or transfer this Guaranty in whole or in part.

GUARANTOR'S REPRESENTATIONS AND WARRANTIES. Guarantor represents and warrants to Lender that (A) no representations or agreements of any kind have been made to Guarantor which would limit or qualify in any way the terms of this Guaranty; (B) this Guaranty is executed at Borrower's request and not at the request of Lender; (C) Guarantor has full power, right and authority to enter into this Guaranty; (D) the provisions of this Guaranty do not conflict with or result in a default under any agreement or other instrument binding upon Guarantor and do not result in a violation of any law, regulation, court decree or order applicable to Guarantor; (E) Guarantor has not and will not, without the prior written consent of Lender, sell, lease, assign, encumber, hypothecate, transfer, or otherwise dispose of all or substantially all of Guarantor's assets, or any interest therein; (F) upon Lender's request, Guarantor will provide to Lender financial and credit information in form acceptable to Lender, and all such financial information which currently has been, and all future financial information which will be provided to Lender is and will be true and correct in all material respects and fairly present Guarantor's financial condition as of the dates the financial information is provided; (G) no material adverse change has occurred in Guarantor's financial condition since the date of the most recent financial statements provided to Lender and no event has occurred which may materially adversely affect Guarantor's financial condition; (H) no litigation, claim, investigation, administrative proceeding or similar action (including those for unpaid taxes) against Guarantor is pending or threatened; (I) Lender has made no representation to Guarantor as to the creditworthiness of Borrower; and (J) Guarantor has established adequate means of obtaining from Borrower on a continuing basis information regarding Borrower's financial condition. Guarantor agrees to keep adequately informed from such means of any facts, events, or circumstances which might in any way affect Guarantor's risks under this Guaranty, and Guarantor further agrees that, absent a request for information, Lender shall have no obligation to disclose to Guarantor any information or documents acquired by Lender in the course of its relationship with Borrower.

GUARANTOR'S WAIVERS. Except as prohibited by applicable law, Guarantor waives any right to require Lender (A) to continue lending money or to extend other credit to Borrower; (B) to make any presentment, protest, demand, or notice of any kind, including notice of any nonpayment of the indebtedness or of any nonpayment related to any collateral, or notice of any action or nonaction on the part of Borrower, Lender, any surety, endorser, or other guarantor in connection with the indebtedness or in connection with the creation of new or additional loans or obligations; (C) to resort for payment or to proceed directly or at once against any person, including Borrower or any other guarantor; (D) to proceed directly against or exhaust any collateral held by Lender from Borrower, any other guarantor, or any other person; (E) to give notice of the terms, time, and place of any public or private sale of personal property security held by Lender from Borrower or to comply with any other applicable provisions of the Uniform Commercial Code; (F) to pursue any other remedy within Lender's power; or (G) to commit any act or omission of any kind, or at any time, with respect to any matter whatsoever.

Guarantor also waives any and all rights or defenses based on suretyship or impairment of collateral including, but not limited to, any rights or defenses arising by reason of (A) any "one action" or "anti-deficiency" law or any other law which may prevent Lender from bringing any action, including a claim for deficiency, against Guarantor, before or after Lender's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale; (B) any election of remedies by Lender which destroys or otherwise adversely affects Guarantor's subrogation rights or Guarantor's rights to proceed against Borrower for reimbursement, including without limitation, any loss of rights Guarantor may suffer by reason of any law limiting, qualifying, or discharging the indebtedness; (C) any disability or other defense of Borrower, of any other guarantor, or of any other person, or by reason of the cessation of Borrower's liability from any cause whatsoever, other than payment in full in legal tender, of the indebtedness; (D) any right to claim discharge of the indebtedness on the basis of unjustified impairment of any collateral for the indebtedness; (E) any statute of limitations, if at any time any action or suit brought by Lender against Guarantor is commenced, there is outstanding indebtedness which is not barred by any applicable statute of limitations; or (F) any defenses given to guarantors at law or in equity other than actual payment and performance of the indebtedness. If payment is made by Borrower, whether voluntarily or otherwise, or by any third party, on the indebtedness and thereafter Lender is forced to remit the amount of that payment to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, the indebtedness shall be considered unpaid for the purpose of the enforcement of this Guaranty.

Guarantor further waives and agrees not to assert or claim at any time any deductions to the amount guaranteed under this Guaranty for any claim of setoff, counterclaim, counter demand, recoupment or similar right, whether such claim, demand or right may be asserted by the Borrower, the Guarantor, or both.

GUARANTOR'S UNDERSTANDING WITH RESPECT TO WAIVERS. Guarantor warrants and agrees that each of the waivers set forth above is made with Guarantor's full knowledge of its significance and consequences and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the extent permitted by law or public policy.

SUBORDINATION OF BORROWER'S DEBTS TO GUARANTOR. Guarantor agrees that the indebtedness, whether now existing or hereafter created, shall be superior to any claim that Guarantor may now have or hereafter acquire against Borrower, whether or not Borrower becomes insolvent. Guarantor hereby expressly subordinates any claim Guarantor may have against Borrower, upon any account whatsoever, to any claim that Lender may now or hereafter have against Borrower. In the event of insolvency and consequent liquidation of the assets of Borrower, through bankruptcy, by an assignment for the benefit of creditors, by voluntary liquidation, or otherwise, the assets of Borrower applicable to the payment of the claims of both Lender and Guarantor shall be paid to Lender and shall be first applied by Lender to the indebtedness. Guarantor does hereby assign to Lender all claims which it may have or acquire against Borrower or against any assignee or trustee in bankruptcy of Borrower; provided however, that such assignment shall be effective only for the purpose of assuring to Lender full payment in legal tender of the indebtedness. If Lender so requests, any notes or credit agreements now or hereafter evidencing any debts or obligations of Borrower to Guarantor shall be marked with a legend that the same are subject to this Guaranty and shall be delivered to Lender. Guarantor agrees, and Lender is hereby authorized, in the name of Guarantor, from time to time to file financing statements and continuation statements and to execute documents and to take such other actions as Lender deems necessary or appropriate to perfect, preserve and enforce its rights under this Guaranty.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Guaranty:

Amendments. This Guaranty, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Guaranty. No alteration of or amendment to this Guaranty shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Guarantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Guaranty. Lender may hire or pay

someone else to help enforce this Guaranty, and Guarantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Guarantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Guaranty are for convenience purposes only and are not to be used to interpret or define the provisions of this Guaranty.

Governing Law. This Guaranty will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Wyoming without regard to its conflicts of law provisions.

Integration. Guarantor further agrees that Guarantor has read and fully understands the terms of this Guaranty; Guarantor has had the opportunity to be advised by Guarantor's attorney with respect to this Guaranty; the Guaranty fully reflects Guarantor's intentions and parol evidence is not required to interpret the terms of this Guaranty. Guarantor hereby indemnifies and holds Lender harmless from all losses, claims, damages, and costs (including Lender's attorneys' fees) suffered or incurred by Lender as a result of any breach by Guarantor of the warranties, representations and agreements of this paragraph.

Interpretation. In all cases where there is more than one Borrower or Guarantor, then all words used in this Guaranty in the singular shall be deemed to have been used in the plural where the context and construction so require; and where there is more than one Borrower named in this Guaranty or when this Guaranty is executed by more than one Guarantor, the words "Borrower" and "Guarantor" respectively shall mean all and any one or more of them. The words "Guarantor," "Borrower," and "Lender" include the heirs, successors, assigns, and transferees of each of them. If a court finds that any provision of this Guaranty is not valid or should not be enforced, that fact by itself will not mean that the rest of this Guaranty will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Guaranty even if a provision of this Guaranty may be found to be invalid or unenforceable. If any one or more of Borrower or Guarantor are corporations, partnerships, limited liability companies, or similar entities, it is not necessary for Lender to inquire into the powers of Borrower or Guarantor or of the officers, directors, partners, managers, or other agents acting or purporting to act on their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed under this Guaranty.

Notices. Any notice required to be given under this Guaranty shall be given in writing, and, except for revocation notices by Guarantor, shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Guaranty. All revocation notices by Guarantor shall be in writing and shall be effective upon delivery to Lender as provided in the section of this Guaranty entitled "DURATION OF GUARANTY." Any party may change its address for notices under this Guaranty by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Guarantor agrees to keep Lender informed at all times of Guarantor's current address. Unless otherwise provided or required by law, if there is more than one Guarantor, any notice given by Lender to any Guarantor is deemed to be notice given to all Guarantors.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Guaranty unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Guaranty shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Guaranty. No prior waiver by Lender, nor any course of dealing between Lender and Guarantor, shall constitute a waiver of any of Lender's rights or of any of Guarantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Guaranty, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Successors and Assigns. Subject to any limitations stated in this Guaranty on transfer of Guarantor's interest, this Guaranty shall be binding upon and inure to the benefit of the parties, their successors and assigns.

Further Assurances. The parties hereto agree to do all things deemed necessary by Lender in order to fully document the loan evidenced by this Note and any related agreements, and will fully cooperate concerning the execution and delivery of security agreements, stock powers, instructions and/or other documents pertaining to any collateral intended to secure the Indebtedness. The undersigned agree to assist in the cure of any defects in the execution, delivery or substance of the Note and related agreements, and in the creation and perfection of any liens, security interests or other collateral rights securing the Note. Borrower further agrees to pay Lender immediately upon demand the full amount of all charges, costs and expenses (to include fees paid to third parties) expended or incurred by Lender to monitor Lender's interest in any real property pledged as collateral for this Note, including without limitation all costs of appraisals.

Consent to Sell Loan. The parties hereto agree: (a) Lender may sell or transfer all or part of this loan to one or more purchasers, whether related or unrelated to Lender; (b) Lender may provide to any purchaser, or potential purchaser, any information or knowledge Lender may have about the parties or about any other matter relating to this loan obligation, and the parties waive any rights to privacy it may have with respect to such matters; (c) the purchaser of a loan will be considered its absolute owner and will have all the rights granted under the loan documents or agreements governing the sale of the loan; and (d) the purchaser of a loan may enforce its interests irrespective of any claims or defenses that the parties may have against Lender.

Security Interest and Right of Setoff (Guarantor). In addition to all liens upon and rights of setoff arising by law, Guarantor pledges and grants to Lender as security for Guarantor's obligations to Lender (excluding any consumer obligations subject to the Federal Truth in Lending Act), a security interest and lien upon all monies, securities, securities accounts, brokerage accounts, deposit accounts and other property of Guarantor now or hereafter in the possession of or on deposit with Lender or any Wells Fargo Affiliate, whether held in a general or special account or deposit or for safekeeping or otherwise, excluding however all IRA and Keogh accounts. No security interest, lien or right of setoff will be deemed to have been waived by any act or conduct on the part of Lender, or by any neglect to exercise such right, or by any delay in so doing, and every right of setoff, lien and security interest will continue in full force and effect until specifically waived or released by Lender in writing.

Facsimile and Counterpart. This document may be signed in any number of separate copies, each of which shall be effective as an original, but all of which taken together shall constitute a single document. An electronic transmission or other facsimile of this document or any related document shall be deemed an original and shall be admissible as evidence of the document and the signer's execution.

Arbitration Agreement. Arbitration - Binding Arbitration. Lender and each party to this agreement hereby agree, upon demand by any party, to submit any Dispute to binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any dispute, claim or controversy of any kind, whether in contract or in tort, legal or equitable, now existing or hereafter arising, relating in any way to any aspect of this agreement, or any related agreement incorporating this Arbitration Program (the "Documents"), or any renewal,

extension, modification or refinancing of any indebtedness or obligation relating thereto, including without limitation, their negotiation, execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination. DISPUTES SUBMITTED TO ARBITRATION ARE NOT RESOLVED IN COURT BY A JUDGE OR JURY. TO THE EXTENT ALLOWED BY APPLICABLE LAW, THE PARTIES IRREVOCABLY AND VOLUNTARILY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY DISPUTE ARBITRATED PURSUANT TO THIS ARBITRATION PROGRAM.

A. Governing Rules. Any arbitration proceeding will (i) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (ii) be conducted by the American Arbitration Association ("AAA"), or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least \$1,000,000.00 exclusive of claimed interest, arbitration fees and costs, in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes are referred to herein, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Arbitration proceedings hereunder shall be conducted at a location mutually agreeable to the parties, or if they cannot agree, then at a location selected by the AAA in the state of the applicable substantive law primarily governing the Note. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any Dispute. Arbitration may be demanded at any time, and may be compelled by summary proceedings in Court. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief. The arbitrator shall award all costs and expenses of the arbitration proceeding. Nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or any similar applicable state law.

B. No Waiver of Provisional Remedies, Self-Help and Foreclosure. The arbitration requirement does not limit the right of any party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any Dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

C. Arbitrator Qualifications and Powers. Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any Dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations. Every arbitrator must be a neutral practicing attorney or a retired member of the state or federal judiciary, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the Dispute. The arbitrator will determine whether or not an issue is arbitrable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all Disputes in accordance with the applicable substantive law and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the applicable state rules of civil procedure, or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

D. Discovery. In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the Dispute being arbitrated and must be completed no later than 20 days before the hearing date. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

E. Class Proceedings and Consolidations. No party shall be entitled to join or consolidate disputes by or against others who are not parties to this agreement or related Documents in any arbitration, or to include in any arbitration any dispute as a representative or member of a class, or to act in any arbitration in the interest of the general public or in a private attorney general capacity.

F. Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the Dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a Dispute, the arbitration provision most directly related to the documents between the parties or the subject matter of the Dispute shall control. This arbitration provision shall survive the repayment of the Note and the termination, amendment or expiration of any of the Documents or any relationship between the parties.

G. Real Property Collateral. Notwithstanding anything herein to the contrary, no Dispute shall be submitted to arbitration if the Dispute concerns indebtedness secured directly or indirectly, in whole or in part, by any real property and the Dispute is governed by the laws of California, Idaho, Montana, Nevada, South Dakota or Utah, unless any conditions for arbitration that may be set forth in the mortgage or deed of trust are satisfied; if any such Disputes are not referred to arbitration, then any provision in such mortgage or deed of trust providing for referral of Disputes to a referee or master under the laws of California or Utah shall be applicable to such Disputes.

H. State Specific Provisions.

If Delaware or Pennsylvania law governs the Dispute, the following provision is included:

Confession of Judgment. Notwithstanding anything herein to the contrary, the arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, or (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

If Virginia law governs the Dispute, the following provision is included:

Confession of Judgment. The arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

COMMUNITY PROPERTY. In addition to the rights of Lender under any applicable community property laws, any Guarantor who has an interest in community property under applicable law acknowledges and agrees that his/her obligation as guarantor is incurred in the interest of and to benefit the marital community (or domestic partnership, if applicable), and expressly agrees that recourse may be had against his or her separate property and his or her rights in community property and community assets for all of his or her obligations to Lender, in addition to any other property that may be subject to rights of Lender.

Supplement to Definition of Indebtedness. The definition of "Indebtedness" herein includes, without limitation, all liability of Borrower, whether liquidated or unliquidated, defined, contingent, conditional or of any other nature whatsoever, and performance of all other obligations, arising under any swap, derivative, foreign exchange or hedge transaction or arrangement (or other similar transaction or arrangement howsoever described or defined) at any time entered into with Lender in connection with or relating to any promissory note, agreement or other document evidencing any portion of the indebtedness.

CONTINUING GUARANTEE OF PAYMENT AND PERFORMANCE. For good and valuable consideration, Guarantor absolutely and unconditionally guarantees full and punctual payment and satisfaction of the indebtedness of Borrower to Lender, and the performance and discharge of all Borrower's obligations under the Note and the Related Documents. This is a guaranty of payment and performance and not of collection, so Lender can enforce this Guaranty against Guarantor even when Lender has not exhausted Lender's remedies against anyone else obligated to pay the indebtedness or against any collateral securing the indebtedness, this Guaranty or any other guaranty of the indebtedness. Guarantor will make any payments to Lender or its order, on demand, in legal tender of the United States of America, in same-day funds, without set-off or deduction or counterclaim, and will otherwise perform Borrower's obligations under the Note and Related Documents. Under this Guaranty, Guarantor's liability is unlimited and Guarantor's obligations are continuing.

INDEBTEDNESS. The word "indebtedness" as used in this Guaranty means all of the principal amount outstanding from time to time and at any one or more times, accrued unpaid interest thereon and all collection costs and legal expenses related thereto permitted by law, reasonable attorneys' fees, arising from any and all debts, liabilities and obligations of every nature or form, now existing or hereafter arising or acquired, that Borrower individually or collectively or interchangeably with others, owes or will owe Lender. "Indebtedness" includes, without limitation, loans, advances, debts, overdraft indebtedness, credit card indebtedness, lease obligations, liabilities and obligations under any interest rate protection agreements or foreign currency exchange agreements or commodity price protection agreements, other obligations, and liabilities of Borrower, and any present or future judgments against Borrower, future advances, loans or transactions that renew, extend, modify, refinance, consolidate or substitute these debts, liabilities and obligations whether: voluntarily or involuntarily incurred; due or to become due by their terms or acceleration; absolute or contingent; liquidated or unliquidated; determined or undetermined; direct or indirect; primary or secondary in nature or arising from a guaranty or surety; secured or unsecured; joint or several or joint and several; evidenced by a negotiable or non-negotiable instrument or writing; originated by Lender or another or others; barred or unenforceable against Borrower for any reason whatsoever; for any transactions that may be voidable for any reason (such as infancy, insanity, ultra vires or otherwise); and originated then reduced or extinguished and then afterwards increased or reinstated.

If Lender presently holds one or more guaranties, or hereafter receives additional guaranties from Guarantor, Lender's rights under all guaranties shall be cumulative. This Guaranty shall not (unless specifically provided below to the contrary) affect or invalidate any such other guaranties. Guarantor's liability will be Guarantor's aggregate liability under the terms of this Guaranty and any such other unexpired guaranties.

CONTINUING GUARANTY. THIS IS A "CONTINUING GUARANTY" UNDER WHICH GUARANTOR AGREES TO GUARANTEE THE FULL AND PUNCTUAL PAYMENT, PERFORMANCE AND SATISFACTION OF THE INDEBTEDNESS OF BORROWER TO LENDER, NOW EXISTING OR HEREAFTER ARISING OR ACQUIRED, ON AN OPEN AND CONTINUING BASIS. ACCORDINGLY, ANY PAYMENTS MADE ON THE INDEBTEDNESS WILL NOT DISCHARGE OR DIMINISH GUARANTOR'S OBLIGATIONS AND LIABILITY UNDER THIS GUARANTY FOR ANY REMAINING AND SUCCEEDING INDEBTEDNESS EVEN WHEN ALL OR PART OF THE OUTSTANDING INDEBTEDNESS MAY BE A ZERO BALANCE FROM TIME TO TIME.

DURATION OF GUARANTY. This Guaranty will take effect when received by Lender without the necessity of any acceptance by Lender, or any notice to Guarantor or to Borrower, and will continue in full force until all the indebtedness incurred or contracted before receipt by Lender of any notice of revocation shall have been fully and finally paid and satisfied and all of Guarantor's other obligations under this Guaranty shall have been performed in full. If Guarantor elects to revoke this Guaranty, Guarantor may only do so in writing. Guarantor's written notice of revocation must be mailed to Lender, by certified mail, at Lender's address listed above or such other place as Lender may designate in writing. Written revocation of this Guaranty will apply only to new indebtedness created after actual receipt by Lender of Guarantor's written revocation. For this purpose and without limitation, the term "new indebtedness" does not include the indebtedness which at the time of notice of revocation is contingent, unliquidated, undetermined or not due and which later becomes absolute, liquidated, determined or due. For this purpose and without limitation, "new indebtedness" does not include all or part of the indebtedness that is: incurred by Borrower prior to revocation; incurred under a commitment that became binding before revocation; any renewals, extensions, substitutions, and modifications of the indebtedness. This Guaranty shall bind Guarantor's estate as to the indebtedness created both before and after Guarantor's death or incapacity, regardless of Lender's actual notice of Guarantor's death. Subject to the foregoing, Guarantor's executor or administrator or other legal representative may terminate this Guaranty in the same manner in which Guarantor might have terminated it and with the same effect. Release of any other guarantor or termination of any other guaranty of the indebtedness shall not affect the liability of Guarantor under this Guaranty. A revocation Lender receives from any one or more Guarantors shall not affect the liability of any remaining Guarantors under this Guaranty. It is anticipated that fluctuations may occur in the aggregate amount of the indebtedness covered by this Guaranty, and Guarantor specifically acknowledges and agrees that reductions in the amount of the indebtedness, even to zero dollars (\$0.00), shall not constitute a termination of this Guaranty. This Guaranty is binding upon Guarantor and Guarantor's heirs, successors and assigns so long as any of the indebtedness remains unpaid and even though the indebtedness may from time to time be zero dollars (\$0.00).

GUARANTOR'S AUTHORIZATION TO LENDER. Guarantor authorizes Lender, either before or after any revocation hereof, without notice or demand and without lessening Guarantor's liability under this Guaranty, from time to time: (A) prior to revocation as set forth above, to make one or more additional secured or unsecured loans to Borrower, to lease equipment or other goods to Borrower, or otherwise to extend additional credit to Borrower; (B) to alter, compromise, renew, extend, accelerate, or otherwise change one or more times the time for payment or other terms of the indebtedness or any part of the indebtedness, including increases and decreases of the rate of interest on the indebtedness; extensions may be repeated and may be for longer than the original loan term; (C) to take and hold security for the payment of

this Guaranty or the Indebtedness, and exchange, enforce, waive, subordinate, fail or decide not to perfect, and release any such security, with or without the substitution of new collateral; (D) to release, substitute, agree not to sue, or deal with any one or more of Borrower's sureties, endorsers, or other guarantors on any terms or in any manner Lender may choose; (E) to determine how, when and what application of payments and credits shall be made on the Indebtedness; (F) to apply such security and direct the order or manner of sale thereof, including without limitation, any nonjudicial sale permitted by the terms of the controlling security agreement or deed of trust, as Lender in its discretion may determine; (G) to sell, transfer, assign or grant participations in all or any part of the Indebtedness; and (H) to assign or transfer this Guaranty in whole or in part.

GUARANTOR'S REPRESENTATIONS AND WARRANTIES. Guarantor represents and warrants to Lender that (A) no representations or agreements of any kind have been made to Guarantor which would limit or qualify in any way the terms of this Guaranty; (B) this Guaranty is executed at Borrower's request and not at the request of Lender; (C) Guarantor has full power, right and authority to enter into this Guaranty; (D) the provisions of this Guaranty do not conflict with or result in a default under any agreement or other instrument binding upon Guarantor and do not result in a violation of any law, regulation, court decree or order applicable to Guarantor; (E) Guarantor has not and will not, without the prior written consent of Lender, sell, lease, assign, encumber, hypothecate, transfer, or otherwise dispose of all or substantially all of Guarantor's assets, or any interest therein; (F) upon Lender's request, Guarantor will provide to Lender financial and credit information in form acceptable to Lender, and all such financial information which currently has been, and all future financial information which will be provided to Lender is and will be true and correct in all material respects and fairly present Guarantor's financial condition as of the dates the financial information is provided; (G) no material adverse change has occurred in Guarantor's financial condition since the date of the most recent financial statements provided to Lender and no event has occurred which may materially adversely affect Guarantor's financial condition; (H) no litigation, claim, investigation, administrative proceeding or similar action (including those for unpaid taxes) against Guarantor is pending or threatened; (I) Lender has made no representation to Guarantor as to the creditworthiness of Borrower; and (J) Guarantor has established adequate means of obtaining from Borrower on a continuing basis information regarding Borrower's financial condition. Guarantor agrees to keep adequately informed from such means of any facts, events, or circumstances which might in any way affect Guarantor's risks under this Guaranty, and Guarantor further agrees that, absent a request for information, Lender shall have no obligation to disclose to Guarantor any information or documents acquired by Lender in the course of its relationship with Borrower.

GUARANTOR'S WAIVERS. Except as prohibited by applicable law, Guarantor waives any right to require Lender (A) to continue lending money or to extend other credit to Borrower; (B) to make any presentment, protest, demand, or notice of any kind, including notice of any nonpayment of the Indebtedness or of any nonpayment related to any collateral, or notice of any action or nonaction on the part of Borrower, Lender, any surety, endorser, or other guarantor in connection with the Indebtedness or in connection with the creation of new or additional loans or obligations; (C) to resort for payment or to proceed directly or at once against any person, including Borrower or any other guarantor; (D) to proceed directly against or exhaust any collateral held by Lender from Borrower, any other guarantor, or any other person; (E) to give notice of the terms, time, and place of any public or private sale of personal property security held by Lender from Borrower or to comply with any other applicable provisions of the Uniform Commercial Code; (F) to pursue any other remedy within Lender's power; or (G) to commit any act or omission of any kind, or at any time, with respect to any matter whatsoever.

Guarantor also waives any and all rights or defenses based on suretyship or impairment of collateral including, but not limited to, any rights or defenses arising by reason of (A) any "one action" or "anti-deficiency" law or any other law which may prevent Lender from bringing any action, including a claim for deficiency, against Guarantor, before or after Lender's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale; (B) any election of remedies by Lender which destroys or otherwise adversely affects Guarantor's subrogation rights or Guarantor's rights to proceed against Borrower for reimbursement, including without limitation, any loss of rights Guarantor may suffer by reason of any law limiting, qualifying, or discharging the Indebtedness; (C) any disability or other defense of Borrower, of any other guarantor, or of any other person, or by reason of the cessation of Borrower's liability from any cause whatsoever, other than payment in full in legal tender, of the Indebtedness; (D) any right to claim discharge of the Indebtedness on the basis of unjustified impairment of any collateral for the Indebtedness; (E) any statute of limitations, if at any time any action or suit brought by Lender against Guarantor is commenced, there is outstanding Indebtedness which is not barred by any applicable statute of limitations; or (F) any defenses given to guarantors at law or in equity other than actual payment and performance of the Indebtedness. If payment is made by Borrower, whether voluntarily or otherwise, or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, the Indebtedness shall be considered unpaid for the purpose of the enforcement of this Guaranty.

Guarantor further waives and agrees not to assert or claim at any time any deductions to the amount guaranteed under this Guaranty for any claim of setoff, counterclaim, counter demand, recoupment or similar right, whether such claim, demand or right may be asserted by the Borrower, the Guarantor, or both.

GUARANTOR'S UNDERSTANDING WITH RESPECT TO WAIVERS. Guarantor warrants and agrees that each of the waivers set forth above is made with Guarantor's full knowledge of its significance and consequences and that, under the circumstances, the waivers are reasonable and not contrary to public policy or law. If any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the extent permitted by law or public policy.

SUBORDINATION OF BORROWER'S DEBTS TO GUARANTOR. Guarantor agrees that the Indebtedness, whether now existing or hereafter created, shall be superior to any claim that Guarantor may now have or hereafter acquire against Borrower, whether or not Borrower becomes insolvent. Guarantor hereby expressly subordinates any claim Guarantor may have against Borrower, upon any account whatsoever, to any claim that Lender may now or hereafter have against Borrower. In the event of insolvency and consequent liquidation of the assets of Borrower, through bankruptcy, by an assignment for the benefit of creditors, by voluntary liquidation, or otherwise, the assets of Borrower applicable to the payment of the claims of both Lender and Guarantor shall be paid to Lender and shall be first applied by Lender to the Indebtedness. Guarantor does hereby assign to Lender all claims which it may have or acquire against Borrower or against any assignee or trustee in bankruptcy of Borrower; provided however, that such assignment shall be effective only for the purpose of assuring to Lender full payment in legal tender of the Indebtedness. If Lender so requests, any notes or credit agreements now or hereafter evidencing any debts or obligations of Borrower to Guarantor shall be marked with a legend that the same are subject to this Guaranty and shall be delivered to Lender. Guarantor agrees, and Lender is hereby authorized, in the name of Guarantor, from time to time to file financing statements and continuation statements and to execute documents and to take such other actions as Lender deems necessary or appropriate to perfect, preserve and enforce its rights under this Guaranty.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Guaranty:

Amendments. This Guaranty, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Guaranty. No alteration of or amendment to this Guaranty shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Guarantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Guaranty. Lender may hire or pay someone else to help enforce this Guaranty, and Guarantor shall pay the costs and expenses of such enforcement. Costs and expenses

include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Guarantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Guaranty are for convenience purposes only and are not to be used to interpret or define the provisions of this Guaranty.

Governing Law. This Guaranty will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Wyoming without regard to its conflicts of law provisions.

Integration. Guarantor further agrees that Guarantor has read and fully understands the terms of this Guaranty; Guarantor has had the opportunity to be advised by Guarantor's attorney with respect to this Guaranty; the Guaranty fully reflects Guarantor's intentions and parole evidence is not required to interpret the terms of this Guaranty. Guarantor hereby indemnifies and holds Lender harmless from all losses, claims, damages, and costs (including Lender's attorneys' fees) suffered or incurred by Lender as a result of any breach by Guarantor of the warranties, representations and agreements of this paragraph.

Interpretation. In all cases where there is more than one Borrower or Guarantor, then all words used in this Guaranty in the singular shall be deemed to have been used in the plural where the context and construction so require; and where there is more than one Borrower named in this Guaranty or when this Guaranty is executed by more than one Guarantor, the words "Borrower" and "Guarantor" respectively shall mean all and any one or more of them. The words "Guarantor," "Borrower," and "Lender" include the heirs, successors, assigns, and transferees of each of them. If a court finds that any provision of this Guaranty is not valid or should not be enforced, that fact by itself will not mean that the rest of this Guaranty will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Guaranty even if a provision of this Guaranty may be found to be invalid or unenforceable. If any one or more of Borrower or Guarantor are corporations, partnerships, limited liability companies, or similar entities, it is not necessary for Lender to inquire into the powers of Borrower or Guarantor or of the officers, directors, partners, managers, or other agents acting or purporting to act on their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed under this Guaranty.

Notices. Any notice required to be given under this Guaranty shall be given in writing, and, except for revocation notices by Guarantor, shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Guaranty. All revocation notices by Guarantor shall be in writing and shall be effective upon delivery to Lender as provided in the section of this Guaranty entitled "DURATION OF GUARANTY." Any party may change its address for notices under this Guaranty by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Guarantor agrees to keep Lender informed at all times of Guarantor's current address. Unless otherwise provided or required by law, if there is more than one Guarantor, any notice given by Lender to any Guarantor is deemed to be notice given to all Guarantors.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Guaranty unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Guaranty shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Guaranty. No prior waiver by Lender, nor any course of dealing between Lender and Guarantor, shall constitute a waiver of any of Lender's rights or of any of Guarantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Guaranty, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Successors and Assigns. Subject to any limitations stated in this Guaranty on transfer of Guarantor's interest, this Guaranty shall be binding upon and inure to the benefit of the parties, their successors and assigns.

Further Assurances. The parties hereto agree to do all things deemed necessary by Lender in order to fully document the loan evidenced by this Note and any related agreements, and will fully cooperate concerning the execution and delivery of security agreements, stock powers, instructions and/or other documents pertaining to any collateral intended to secure the indebtedness. The undersigned agree to assist in the cure of any defects in the execution, delivery or substance of the Note and related agreements, and in the creation and perfection of any liens, security interests or other collateral rights securing the Note. Borrower further agrees to pay Lender immediately upon demand the full amount of all charges, costs and expenses (to include fees paid to third parties) expended or incurred by Lender to monitor Lender's interest in any real property pledged as collateral for this Note, including without limitation all costs of appraisals.

Consent to Sell Loan. The parties hereto agree: (a) Lender may sell or transfer all or part of this loan to one or more purchasers, whether related or unrelated to Lender; (b) Lender may provide to any purchaser, or potential purchaser, any information or knowledge Lender may have about the parties or about any other matter relating to this loan obligation, and the parties waive any rights to privacy it may have with respect to such matters; (c) the purchaser of a loan will be considered its absolute owner and will have all the rights granted under the loan documents or agreements governing the sale of the loan; and (d) the purchaser of a loan may enforce its interests irrespective of any claims or defenses that the parties may have against Lender.

Security Interest and Right of Setoff (Guarantor). In addition to all liens upon and rights of setoff arising by law, Guarantor pledges and grants to Lender as security for Guarantor's obligations to Lender (excluding any consumer obligations subject to the Federal Truth in Lending Act), a security interest and lien upon all monies, securities, securities accounts, brokerage accounts, deposit accounts and other property of Guarantor now or hereafter in the possession of or on deposit with Lender or any Wells Fargo Affiliate, whether held in a general or special account or deposit or for safekeeping or otherwise, excluding however all IRA and Keogh accounts. No security interest, lien or right of setoff will be deemed to have been waived by any act or conduct on the part of Lender, or by any neglect to exercise such right, or by any delay in so doing, and every right of setoff, lien and security interest will continue in full force and effect until specifically waived or released by Lender in writing.

Facsimile and Counterpart. This document may be signed in any number of separate copies, each of which shall be effective as an original, but all of which taken together shall constitute a single document. An electronic transmission or other facsimile of this document or any related document shall be deemed an original and shall be admissible as evidence of the document and the signer's execution.

Arbitration Agreement. Arbitration - Binding Arbitration. Lender and each party to this agreement hereby agree, upon demand by any party, to submit any Dispute to binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any dispute, claim or controversy of any kind, whether in contract or in tort, legal or equitable, now existing or hereafter arising, relating in any way to any aspect of this agreement, or any related agreement incorporating this Arbitration Program (the "Documents"), or any renewal, extension, modification or refinancing of any indebtedness or obligation relating thereto, including without limitation, their negotiation,

execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination. DISPUTES SUBMITTED TO ARBITRATION ARE NOT RESOLVED IN COURT BY A JUDGE OR JURY. TO THE EXTENT ALLOWED BY APPLICABLE LAW, THE PARTIES IRREVOCABLY AND VOLUNTARILY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY DISPUTE ARBITRATED PURSUANT TO THIS ARBITRATION PROGRAM.

A. Governing Rules. Any arbitration proceeding will (i) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (ii) be conducted by the American Arbitration Association ("AAA"), or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least \$1,000,000.00 exclusive of claimed interest, arbitration fees and costs, in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes are referred to herein, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Arbitration proceedings hereunder shall be conducted at a location mutually agreeable to the parties, or if they cannot agree, then at a location selected by the AAA in the state of the applicable substantive law primarily governing the Note. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any Dispute. Arbitration may be demanded at any time, and may be compelled by summary proceedings in Court. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief. The arbitrator shall award all costs and expenses of the arbitration proceeding. Nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or any similar applicable state law.

B. No Waiver of Provisional Remedies, Self-Help and Foreclosure. The arbitration requirement does not limit the right of any party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any Dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

C. Arbitrator Qualifications and Powers. Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any Dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations. Every arbitrator must be a neutral practicing attorney or a retired member of the state or federal judiciary, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the Dispute. The arbitrator will determine whether or not an issue is arbitrable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all Disputes in accordance with the applicable substantive law and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the applicable state rules of civil procedure, or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

D. Discovery. In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the Dispute being arbitrated and must be completed no later than 20 days before the hearing date. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

E. Class Proceedings and Consolidations. No party shall be entitled to join or consolidate disputes by or against others who are not parties to this agreement or related Documents in any arbitration, or to include in any arbitration any dispute as a representative or member of a class, or to act in any arbitration in the interest of the general public or in a private attorney general capacity.

F. Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the Dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a Dispute, the arbitration provision most directly related to the documents between the parties or the subject matter of the Dispute shall control. This arbitration provision shall survive the repayment of the Note and the termination, amendment or expiration of any of the Documents or any relationship between the parties.

G. Real Property Collateral. Notwithstanding anything herein to the contrary, no Dispute shall be submitted to arbitration if the Dispute concerns indebtedness secured directly or indirectly, in whole or in part, by any real property and the Dispute is governed by the laws of California, Idaho, Montana, Nevada, South Dakota or Utah, unless any conditions for arbitration that may be set forth in the mortgage or deed of trust are satisfied; if any such Disputes are not referred to arbitration, then any provision in such mortgage or deed of trust providing for referral of Disputes to a referee or master under the laws of California or Utah shall be applicable to such Disputes.

H. State Specific Provisions.

If Delaware or Pennsylvania law governs the Dispute, the following provision is included:

Confession of Judgment. Notwithstanding anything herein to the contrary, the arbitration requirement does not limit or preclude the right of Lender to confess judgment pursuant to a warrant of attorney provision set forth in the Note or Related Documents. No party shall have the right to demand binding arbitration of any claim, dispute or controversy seeking to (i) strike-off or open a judgment obtained by confession pursuant to a warrant of attorney contained in the Note or Related Documents, or (ii) challenge the waiver of a right to prior notice and a hearing before judgment is entered, or after judgment is entered, but before execution upon the judgment. Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

If Virginia law governs the Dispute, the following provision is included:

Any claims, disputes or controversies challenging the confession of judgment shall be commenced and prosecuted in accordance with the procedures set forth, and in the forum specified by the applicable state rules of civil procedure or other applicable law.

COMMUNITY PROPERTY. In addition to the rights of Lender under any applicable community property laws, any Guarantor who has an interest in community property under applicable law acknowledges and agrees that his/her obligation as guarantor is incurred in the interest of and to benefit the marital community (or domestic partnership, if applicable), and expressly agrees that recourse may be had against his or her separate property and his or her rights in community property and community assets for all of his or her obligations to Lender, in addition to any other property that may be subject to rights of Lender.
